Jocoevol Full Boucle Upholstered LED Bed Frame with Storage Drawer and Adjustable Headboard

Model: C-1651 | Brand: Jocoevol

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Jocoevol Full Boucle Upholstered LED Bed Frame, Model C-1651. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

The Jocoevol Full Bed Frame features a boucle upholstered finish, integrated LED lighting, two storage drawers, and an adjustable headboard. It is designed for use without a box spring.

2. SAFETY INFORMATION

WARNING: Assembly, use, and weight limit warnings for children's safety.

- Ensure all parts are securely fastened before use.
- Do not exceed the maximum weight limit of 1000 pounds.
- Keep small parts away from children during assembly to prevent choking hazards.
- Always follow assembly instructions carefully. Incorrect assembly can lead to instability and injury.
- Avoid standing or jumping on the bed frame.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. All parts are labeled, and precision-drilled holes facilitate the process. It is recommended to assemble the bed frame with at least two people.

Step 1: Prepare the Area and Unpack

Clear a spacious area for assembly. Unpack all components and lay them out, referring to the parts list to ensure everything is present.

Step 2: Assemble the Bed Frame Structure

Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are tight and secure. The frame features a heavy-duty metal structure for stability.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The integrated RGB LED headboard offers various lighting options. Control the lights using the dedicated app on your iOS/Android device or the included remote control.

- **Color Selection:** Choose from over 16 million colors and 20+ light effects.
- **Dynamic Modes:** Select from various dynamic lighting patterns.
- **Music Sync:** The lights can synchronize with music beats, creating an immersive ambiance.
- **Brightness Adjustment:** Adjust the intensity of the lights.
- **Timing Function:** Set schedules for the lights to turn on or off.

5.2. Storage Drawers

The two storage drawers provide additional space. They can be placed in any of the four available positions around the bed frame. The locking design ensures they remain securely in place when not in use. To access, simply unlock and pull the drawer out. To secure, push the drawer in until it locks.

Flexible Drawers

Put drawers according to the room layout

**Each side one drawer
more space for nightstand**

2 drawers at the left side

2 drawers at the right side

5.3. Adjustable Headboard

The headboard height is adjustable to accommodate different mattress thicknesses. Adjust the headboard to the desired height by repositioning the attachment points during assembly or by carefully loosening and retightening the bolts if already assembled.

5.4. Removable Pillows

The three soft pillows can be attached to the headboard via button loops for use as backrests or removed for individual comfort. They are made from fluffy boucle fabric.

Removable 3-in-1 Pillow

- Adorably shaped like a chubby piglet, this ultra-soft sherpa pillow brings both charm and comfort
- Easily hangs on the headboard as a comfy backrest, or remove it to use as a cozy pillow or huggable cushion

6. MAINTENANCE

- **Fabric Cleaning:** For the boucle upholstered fabric, gently spot clean with a damp cloth and mild detergent. Avoid harsh chemicals.
- **Frame Cleaning:** Wipe the metal frame and other non-fabric surfaces with a soft, dry cloth.
- **LED Lights:** Ensure the LED strip is free from dust. Do not attempt to disassemble the LED components.
- **Drawer Maintenance:** Periodically check the drawer wheels for smooth operation and clear any debris.
- **Hardware Check:** Regularly inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary.

7. TROUBLESHOOTING

- **LED Lights Not Working:** Check power connection to the LED strip. Ensure the remote control has working batteries or the app is correctly paired.
- **Bed Frame Squeaks:** Ensure all bolts are securely tightened. The bed frame includes silent strips on the

slats to minimize noise; verify these are correctly positioned.

- **Drawers Are Difficult to Open/Close:** Check for obstructions in the drawer tracks. Ensure the drawer locking mechanism is disengaged. Verify the drawers are correctly assembled and aligned.
- **Missing Parts/Damaged Components:** If you encounter missing parts or damaged components upon unboxing, refer to the 'Warranty and Support' section for assistance.
