leejdn 808

leejdn Vanity Desk with Mirror and Lights User Manual

Model: 808

Brand: leejdn

1. INTRODUCTION

Thank you for purchasing the leejdn Vanity Desk with Mirror and Lights. This modern makeup table is designed to enhance your daily routine with its integrated lighting, power outlets, and flexible storage solutions. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new vanity desk.

Image 1.1: The leejdn Vanity Desk, featuring a large mirror with integrated lighting, a spacious tabletop, and a movable storage cabinet with drawers.

2. SAFETY INFORMATION

- Always follow assembly instructions carefully to prevent injury or damage.
- Do not exceed the weight capacity of the drawers (30 lbs per drawer).
- Keep electrical components (power strip, mirror lights) away from water or excessive moisture.
- Ensure all connections are secure before use.
- Do not attempt to modify the product in any way.
- Keep small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Tabletop with Mirror Frame
- LED Dimmable Mirror
- Vanity Legs
- Storage Cabinet with Drawers
- Built-in Power Strip (pre-installed)
- Hardware Pack (screws, connectors, tools)
- Assembly Instructions (this manual)

4. ASSEMBLY AND SETUP

The leejdn Vanity Desk requires self-assembly. It is recommended to assemble the unit in the room where it will be used. Two people are recommended for assembly.

4.1 General Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts using the provided parts list.
3. Attach the vanity legs to the main tabletop frame.
4. Secure the LED mirror to the designated area on the tabletop.
5. Assemble the storage cabinet drawers and insert them into the cabinet frame.
6. Connect the storage cabinet to the main vanity desk. The flexible design allows the cabinet to be positioned on either the left or right side of the main desk, or even moved along the length of the desk to suit your space and preference.
7. Ensure all screws and fasteners are tightened securely.

Image 4.1: The adjustable cabinet can be positioned on either side of the vanity desk, offering flexible layout options.

4.2 Drawer Assembly and Smooth Operation

The drawers are designed with smooth three-section slides for easy opening and closing. Ensure the slides are properly aligned during assembly to allow the drawers to pull out completely and operate quietly (within 40 dB).

5. OPERATING INSTRUCTIONS

5.1 LED Dimmable Mirror

The vanity mirror features a built-in LED light with three color modes and adjustable brightness.

- **Power On/Off:** Touch the designated sensor on the mirror surface to turn the light on or off.
- **Change Color Mode:** Briefly touch the sensor to cycle through the three lighting modes: Cool light (6500K), Warm light (5000K), and Warm yellow light (3500K).
- **Adjust Brightness:** Long press the sensor to dim or brighten the light. Release when the desired brightness is achieved.
- **Power Indicator Light:** To turn off the power indicator light when the mirror is off, long press the switch button.

5.2 Built-in Power Strip

The vanity desk is equipped with a convenient power strip to power your devices.

- The power strip includes 2 standard plug sockets, 1 USB port, and 1 Type-C port.
- Plug the vanity's main power cord (4.9-foot length) into a wall outlet.
- Use the integrated sockets and ports to power LED lights, hairdryers, curling irons, or charge your phone, tablet, and other electronics.

5.3 Storage Compartments

The vanity desk offers ample storage with multiple compartments.

- The main tabletop provides a spacious surface for daily use.
- The vanity desk includes two large drawers under the tabletop.
- The adjustable storage cabinet features three additional drawers, providing versatile storage for cosmetics, accessories, and other items.

6. MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust the surfaces to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the finish.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied to the metal slides.
- **Electrical Components:** Ensure the power strip and mirror wiring are not pinched or damaged. Do not attempt to service electrical components yourself.

7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED mirror light does not turn on.	Not plugged in; power strip off; faulty connection; sensor issue.	Ensure the vanity is plugged into a working outlet. Check the power strip connection. Gently clean the touch sensor. If issues persist, contact support.
Drawers are difficult to open/close or misaligned.	Improper assembly of drawer slides; obstruction; damaged slide.	Re-check assembly steps for drawer slides. Ensure no items are blocking the drawer. Verify slides are not bent or damaged.
Power outlets on the strip are not working.	Vanity not plugged in; power surge; internal wiring issue.	Confirm the vanity's main power cord is securely plugged into a live wall outlet. Test with another device. If still not working, contact customer support.
Missing parts during assembly.	Packaging oversight.	Carefully check all packaging materials. If parts are genuinely missing, contact leejdn customer service immediately with your purchase details.
