Maintenance Guidelines

- **Cleaning:** Wipe the necklace with a soft, damp cloth to remove dirt and oils. For a deeper clean, use mild soap and water, then rinse thoroughly and dry completely with a soft, lint-free cloth.
- **Storage:** Store your necklace in a dry place, preferably in a jewelry pouch or box, to prevent scratches and minimize exposure to air and moisture.
- **Avoid Chemicals:** Keep the necklace away from harsh chemicals, perfumes, lotions, and chlorinated water, as these can dull the finish over time.
- **Regular Inspection:** Periodically check the clasp and chain for any signs of wear or damage to ensure secure fastening.
