EVEO Apple AirTag Wallet Holder Instruction Manual

Model: B0F7HFWTSN

INTRODUCTION

The EVEO Apple AirTag Wallet Holder is designed to integrate your Apple AirTag seamlessly into your existing wallet or other personal items. This ultra-thin, flexible card holder ensures your AirTag remains securely in place, allowing you to track your valuables using the Apple Find My network. This manual provides essential information for the proper setup, operation, and care of your AirTag holder.

WHAT'S IN THE BOX

- Airtag Wallet Holders (2 Pack)

Note: Apple AirTag is not included and must be purchased separately.

SETUP INSTRUCTIONS

Setting up your EVEO AirTag Wallet Holder is a straightforward process that requires no tools.

1. **Insert AirTag:** Gently press your Apple AirTag into the circular opening of the EVEO holder. Ensure it snaps securely into place. The holder is designed for a snug fit to prevent the AirTag from dislodging.
2. **Placement in Wallet:** Slide the AirTag holder, with the AirTag inserted, into a card slot within your wallet. Its ultra-thin design allows it to fit comfortably without adding significant bulk.
3. **Alternative Placement:** The holder features a small hole, allowing it to be attached to a keychain or tethered to other items if desired.

OPERATING INSTRUCTIONS

Once your Apple AirTag is securely placed within the EVEO holder and positioned in your wallet, you can utilize Apple's Find My network to locate your wallet.

1. **Pair AirTag:** Ensure your Apple AirTag is properly paired with your iPhone or other Apple device via the [Find My app](#).
2. **Locate Item:** Open the Find My app on your Apple device.

3. **Select Item:** Navigate to the "Items" tab and select your AirTag.
4. **Precision Finding:** If you are within Bluetooth range, use the Precision Finding feature to guide you directly to your wallet.
5. **Play Sound:** If the item is nearby but out of sight, you can play a sound from the AirTag to help pinpoint its location.

MAINTENANCE

The EVEO AirTag Wallet Holder is constructed from durable, flexible, and crack-resistant materials designed for everyday use.

- **Cleaning:** To clean the holder, wipe it with a damp cloth. Avoid harsh chemicals or abrasive materials.
- **Durability:** The flexible material is designed to withstand pressure and movement, reducing the risk of damage even when kept in a back pocket.
- **Reusability:** The holder is reusable and can be easily transferred between different wallets, bags, or passport holders.

BUILT TO LAST.

Crafted with Strong, Flexible Materials.

TROUBLESHOOTING

The EVEO AirTag Wallet Holder is a passive accessory and does not contain electronic components. Most issues related to tracking will stem from the Apple AirTag itself or the Find My app.

- **AirTag Not Found:**

- Ensure your AirTag battery is not depleted.
- Verify the AirTag is still securely seated within the EVEO holder.
- Check your iPhone's Bluetooth and Wi-Fi/cellular connection.
- Confirm the AirTag is paired correctly in the Find My app.

- **Holder Damage:**

- While designed to be durable, inspect the holder periodically for any signs of wear or damage. Replace if necessary to ensure the AirTag remains secure.
