KETTLER Elba Corner 6-Piece Modular Set Instruction Manual

Model: 393105-0200K6SI | Brand: KETTLER

1. INTRODUCTION

This manual provides essential information for the assembly, use, and maintenance of your KETTLER Elba Corner 6-Piece Modular Set. Please read these instructions carefully before setting up and using your new patio furniture to ensure proper function and longevity.

The Elba Lounge Collection offers complete flexibility, allowing you to configure your patio set to suit various outdoor spaces. It features a durable charcoal, powder-coated aluminum frame with natural teak accents, designed to complement any backyard or patio environment. The Sunbrella cushions are engineered for weather resistance and color retention, with a textile sling base for comfort and efficient water drainage.

2. PRODUCT FEATURES

- Lightweight charcoal powder-coated aluminum construction with stainless steel hardware for durability.
- Reinforced square frame tubing enhances structural strength.
- Solid FSC-certified teak components provide both style and functional surfaces.
- Replaceable foot caps are included to extend the life of the furniture.
- Ample seating capacity to comfortably accommodate up to 5 individuals.
- Modular design allows for numerous configuration options.
- 100% Acrylic Sunbrella cushion fabric offers optimal weather resistance and color fastness.
- Thick 4-inch foam core seat cushions promote proper posture, complemented by large coordinating back pillows for added support.
- A solid teak top coffee table can be used independently or as a dividing table between sofa and corner chair units.

- Cushion Color: Spectrum Indigo; Frame Color: Charcoal with Teak accents.

3. SETUP AND ASSEMBLY

The KETTLER Elba Corner 6-Piece Modular Set requires assembly. Please ensure all components are present before beginning. Refer to the included assembly guide for detailed step-by-step instructions and diagrams. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches.

Due to its modular nature, the set can be arranged in various configurations. Plan your desired layout before securing the pieces. The set typically includes:

- Corner seating units
- Armless seating units
- Ottoman(s)
- Coffee table(s)

Ensure all connections are tightened securely but do not overtighten. Periodically check and retighten all fasteners to maintain stability.

4. OPERATING INSTRUCTIONS

The KETTLER Elba Modular Set is designed for flexible outdoor use. Its modular components allow for various arrangements to suit your space and needs.

Configuring Your Set:

- **Corner Units:** Use these to create L-shaped sectionals.
- **Armless Units:** Insert these between corner units or at the ends to extend seating length.
- **Ottomans:** Can be used as footrests, extra seating, or combined with other units to create a chaise lounge.
- **Coffee Table:** Position centrally or use as a side table between seating units.

When rearranging, lift the units rather than dragging them to prevent damage to the frame or your patio surface. Ensure cushions are properly seated on the textile slings for optimal comfort and drainage.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and extend the lifespan of your KETTLER Elba Modular Set.

Aluminum Frame:

- Clean the powder-coated aluminum frame with a soft cloth, mild soap, and water.
- Rinse thoroughly with clean water and dry completely to prevent water spots.
- Avoid using abrasive cleaners, harsh chemicals, or wire brushes, as these can damage the finish.

Teak Accents:

- Teak wood naturally weathers to a silver-gray patina over time. This is a natural process and does not affect the wood's durability.
- To maintain the original golden-brown color, apply a teak sealer or protector annually.
- Clean teak surfaces with a soft brush and mild soapy water, scrubbing in the direction of the grain. Rinse well.

Sunbrella Cushions:

- Sunbrella fabric is designed to be weather-resistant and fade-resistant.
- For general cleaning, brush off loose dirt, then spray with a solution of mild soap and lukewarm water.
- Use a soft brush to clean, then rinse thoroughly to remove all soap residue. Air dry.
- For stubborn stains, refer to the official Sunbrella cleaning guide for specific instructions.
- Store cushions indoors or cover them during prolonged periods of non-use or inclement weather to maximize their lifespan.

General Care:

- Periodically check and tighten all bolts and fasteners.
- Use furniture covers when the set is not in use for extended periods or during harsh weather conditions.
- Ensure proper drainage around the furniture to prevent water accumulation.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your KETTLER Elba Modular Set.

Loose Connections:

- If the furniture feels wobbly, check all bolts and fasteners. Tighten them using the appropriate tools. Avoid overtightening.

Cushion Stains:

- For most stains on Sunbrella fabric, a solution of mild soap and water is effective. For specific or stubborn stains, consult the Sunbrella cleaning instructions available online or contact KETTLER support.

Teak Discoloration:

- Natural teak will weather to a silver-gray. If you prefer the original golden-brown, use a teak cleaner and then apply a teak sealer or protector.

Foot Cap Wear:

- The foot caps are replaceable. If they become worn or damaged, contact KETTLER customer support for replacements to protect your patio surface and the furniture frame.
