1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- All foam and upholstered surfaces meet flammability standards. Keep the sofa away from open flames or high heat sources to prevent fire hazards.
- Supervise children and pets to avoid entrapment risks within the sofa components or during assembly.
- Ensure all bolts and screws are securely tightened during assembly. Do not overtighten, as this may damage the components.
- Do not stand on the sofa or use it as a step stool.
- Distribute weight evenly across the sofa. The maximum weight capacity is 1330 pounds.
- Keep small parts and packaging materials away from children to prevent choking hazards.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Movable Ottoman
- Seat Cushions
- Back Cushions
- Armrests
- Legs
- Assembly Hardware (bolts, washers, Allen wrench)

3. SETUP INSTRUCTIONS

Assembly is required. It is recommended to have two people for easier and safer assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Legs:** For each sofa section and the ottoman, locate the pre-drilled holes on the bottom. Attach the legs using the provided bolts and Allen wrench. Ensure they are tightened securely.
3. **Connect Sofa Sections:** Position the sofa sections in your desired configuration (e.g., L-shape). Use the included connectors (if applicable) to link the sections together, ensuring they are firmly joined.
4. **Place Cushions:** Position the seat cushions onto the sofa base. Then, place the back cushions against the backrest. The cushions feature a two-layer design for comfort and support.
5. **Position Ottoman:** Place the movable ottoman as desired, either as an extension of a sofa section to create a chaise lounge or as a separate seating element.

5. MAINTENANCE

Proper care will extend the life and appearance of your VINGLI Sectional Sofa.

- **Cleaning Fabric:** The chenille fabric is washable. For minor spills, blot immediately with a clean, dry cloth. For deeper cleaning, the fabric covers can be removed and washed according to the care label instructions. Always test cleaning solutions on an inconspicuous area first.
- **Cushion Care:** Periodically fluff and rotate cushions to maintain their shape and even out wear.
- **Frame Care:** Wipe the frame and legs with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
