YITAHOME MAYIHFMBdR

YITAHOME King Size Corduroy Upholstered Platform Bed Frame Instruction Manual

Model: MAYIHFMBdR

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your YITAHOME King Size Corduroy Upholstered Platform Bed Frame. Featuring a 53-inch tall storage wingback headboard with a built-in charging station and RGB LED lights, this bed frame is designed for comfort and convenience. It does not require a box spring and incorporates a noise-free design for a peaceful sleep experience.

IMPORTANT SAFETY INFORMATION

Caution: This bed frame is heavy (approximately 133 pounds) and may be difficult to move once assembled. Always use two people for assembly and be careful when handling to avoid injury. Ensure all fasteners are securely tightened before use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The product is shipped in two boxes, which may arrive separately. Please wait for both packages before starting assembly. The package typically includes:

- Headboard (53" Tall Wingback with Storage Shelves)
- Bed Frame Side Rails (Corduroy Upholstered)
- Footboard (Corduroy Upholstered)
- Metal Support Frame
- Wooden Slats
- Charging Station Unit (pre-installed in headboard)
- RGB LED Light Strip (pre-installed in headboard)
- Remote Control for LED Lights
- Assembly Hardware (screws, bolts, washers, etc.)
- Assembly Tools (Allen wrench, screwdriver)

- Installation Manual

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

Step 1: Prepare Components

Unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify the headboard sections, side rails, footboard, and metal frame parts. Ensure all parts are numbered as per the manual.

Step 2: Assemble the Headboard Storage and Lights

Attach the wooden shelves to the headboard. Ensure the RGB LED light strip is properly positioned within the headboard's storage area. Connect the charging station unit to the designated slot in the headboard.

30-Min
Assembly

Tips:

The product comes in two boxes and may NOT arrive on the same day. Please wait until the two packages arrive before installing them.

Step 4: Install the Metal Support Frame

Assemble the metal support frame according to the instructions. This frame provides the primary support for your mattress. Attach it securely to the bed frame.

Step 5: Place the Wooden Slats

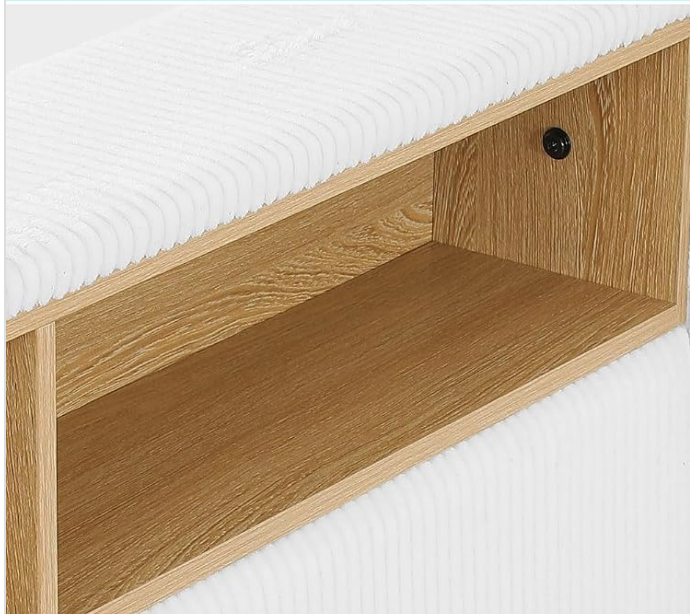

Lay the wooden slats across the metal support frame. Secure them in place as indicated in the manual. These slats eliminate the need for a box spring.

OPERATING INSTRUCTIONS

RGB LED Lights

The headboard features integrated RGB LED lights. Use the provided 24-key remote control or a compatible smart app to manage the lighting. Functions include:

- **Color Selection:** Choose from over 60,000 RGB colors.

- **Brightness Adjustment:** Dim or brighten the lights to your preference.
- **Multiple Modes:** Select from various dynamic lighting modes (e.g., flashing, fading, pulsing).
- **Music Synchronization:** Lights can react to music played through the app.
- **Timing Function:** Set a timer for the lights to turn on or off automatically.

Charging Station

The headboard includes a convenient charging station to power your electronic devices. It features:

- 2 AC Sockets (125V/12A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (2.5V/2.1A)

Simply plug your devices into the appropriate ports for charging. The storage shelves provide a convenient space to keep your devices while they charge.

MAINTENANCE

- **Cleaning:** For the corduroy upholstered parts, gently vacuum with a soft brush attachment to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame Care:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent noise.
- **Mattress Compatibility:** For optimal comfort and aesthetics, it is recommended to use a mattress with a thickness of 10 to 14 inches.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is noisy/squeaks.	Loose connections or friction between metal parts.	Ensure all bolts and screws are securely tightened. The frame includes a mute sponge strip to minimize noise; verify it is correctly positioned.
LED lights are not working.	Power connection issue, remote battery dead, or light strip malfunction.	Check if the LED light strip is properly connected to its power source. Replace the remote control battery. If issues persist, contact customer support.
Charging station is not providing power.	Power connection issue or device compatibility.	Ensure the bed frame's main power cord is plugged into a working wall outlet. Check if your device is compatible with the provided USB/Type-C specifications. Try a different device or port.
Difficulty during assembly.	Incorrect part orientation or missing hardware.	Refer to the numbered parts and diagrams in the installation manual. Ensure parts are oriented correctly. Contact customer support if hardware is missing.

SPECIFICATIONS
