## YITAHOME MAYIHTvaXP

# YITAHOME Queen Size Corduroy Upholstered Platform Bed Frame User Manual

Model: MAYIHTvaXP

## PRODUCT OVERVIEW

---

The YITAHOME Queen Size Corduroy Upholstered Platform Bed Frame is designed for comfort and convenience, featuring a tall wingback headboard, integrated charging station, and RGB LED lighting. This bed frame eliminates the need for a box spring and is engineered for noise-free operation and easy assembly.

- 53" Tall headboard provides comfortable back support.
- Corduroy fabric upholstery offers a soft and smooth texture.
- Built-in charging station with 2 AC sockets, 1 USB port, and 1 Type-C port.
- Storage shelves on the headboard for convenient item placement.
- RGB LED lights with multiple colors, modes, music synchronization, and timing functions, controllable via 24-key remote or smart app.
- Noise-free design with a mute sponge strip to prevent squeaks.
- Supports up to 1000 pounds.

## SETUP AND ASSEMBLY

---

This bed frame is designed for easy assembly. All necessary parts, tools, and an instruction manual are included and numbered for a straightforward process. It is recommended to read the entire assembly manual before beginning.

### Recommended Mattress Thickness

For optimal comfort and aesthetic, it is recommended to use a mattress with a thickness of 10 to 14 inches with this bed frame.

# QUEEN SIZE

Size: 61.4"x88.1"x53.1"  
Weight Capacity: 1000lbs

8-14in Mattress

## OPERATING INSTRUCTIONS

---

### Charging Station

The headboard features a built-in charging station for convenient access to power. It includes:

- 2 AC Outlets (125V/12A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (2.5V/2.1A)

Simply plug your electronic devices into the appropriate ports for charging.

## RGB LED Lights

The integrated RGB LED lights offer a customizable ambiance for your bedroom. Control options include a 24-key remote control and a smart app.

- Over 60,000 color options.
- Adjustable brightness.
- Multiple modes (e.g., static colors, dynamic effects).
- Music synchronization mode.
- Timing function for scheduled operation.

## MAINTENANCE

Regular maintenance will help prolong the life and appearance of your YITAHOME bed frame.

- **Cleaning:** For the corduroy fabric, gently vacuum with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner designed for corduroy, testing on an inconspicuous area first.
- **Frame Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and prevent noise.
- **LED Lights:** Ensure the LED light strip and connections are free from dust. If lights dim or flicker, check the power connection and remote/app battery.

- **Charging Station:** Keep the charging ports clean and free of dust or debris. Avoid spilling liquids near the charging station.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose connections or friction between parts.	Ensure all bolts and screws are securely tightened. Check if the mute sponge strip is properly in place on the middle beam.
LED lights are not working.	Power connection issue, remote battery dead, or app connectivity problem.	Verify the LED light power adapter is securely plugged into a working outlet. Replace remote control batteries. Ensure Bluetooth is enabled on your device for app control and the app is correctly paired.
Charging station not providing power.	Power connection issue or device incompatibility.	Check if the charging station's power cable is fully plugged into a working wall outlet. Test with a different device to rule out device-specific issues. Ensure the device's power requirements are within the station's specifications.
Headboard feels unstable.	Improper assembly or loose fasteners.	Review the assembly instructions for the headboard section. Tighten all bolts and connections securing the headboard to the bed frame.

## SPECIFICATIONS

Feature	Detail
Size	Queen
Product Dimensions	80.1"L x 61.4"W x 53.1"H
Special Features	Charging Station, LED Lighting, No Box Spring Needed, Remote Control, Upholstered
