Heybly HCT200SW

Heybly 49.2-inch Tall Cat Tree Instruction Manual

Model: HCT200SW

1. INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your Heybly 49.2-inch Tall Cat Tree (Model HCT200SW). This multi-level cat activity center is designed to provide a comfortable and engaging environment for your indoor cats, featuring various platforms, a cat house, a cozy hammock, and sisal scratching posts.

Please read these instructions carefully before assembly and use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

- Place the cat tree on a flat, stable surface to prevent tipping.
- Ensure all screws and connections are tightened securely during assembly and periodically check for looseness.
- Utilize the provided anti-tipping strap to secure the cat tree to a wall, especially if you have active or multiple cats.
- Regularly inspect the cat tree for any damaged or worn parts. Replace components as necessary to maintain safety.
- Keep small children away from the cat tree during assembly and supervise them during use to prevent accidents.
- This product is intended for indoor use by cats only.

3. PARTS LIST

Before assembly, verify that all components are present and undamaged. Refer to the included illustrated instructions for a detailed list of parts and hardware.

- Baseboards
- Plush-covered platforms (various sizes)
- Cat house/condo
- Cozy hammock
- Sisal-wrapped scratching posts
- Steel support tubes
- Hanging toys (pompoms)
- Anti-tipping strap and wall anchor
- Assembly hardware (screws, Allen wrench)

4. SETUP AND ASSEMBLY

The Heybly Cat Tree is designed for straightforward assembly. An illustrated instruction manual and all necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list in the included manual.
2. **Follow Illustrated Instructions:** Refer to the step-by-step diagrams in the provided assembly guide. Each part is typically labeled for easy identification.
3. **Secure Connections:** Ensure all screws are tightened firmly to provide maximum stability. Do not overtighten.
4. **Install Anti-Tipping Strap:** Attach the anti-tipping strap to the designated point on the cat tree and secure it to a wall stud using appropriate hardware. This is crucial for safety.
5. **Final Check:** Once assembled, gently shake the cat tree to confirm its stability.

5. OPERATING AND USAGE

The Heybly Cat Tree provides multiple areas for your cat's natural behaviors:

- **Climbing and Exploration:** The multi-level design encourages climbing and provides various vantage points.
- **Resting and Napping:** The soft plush top perches, enclosed cat house, and cozy hammock offer comfortable spots for rest.
- **Scratching:** Sisal-wrapped posts allow cats to satisfy their natural scratching instincts, helping to protect your furniture.
- **Play:** Hanging pompoms provide interactive play opportunities.

6. MAINTENANCE

- **Cleaning Plush Surfaces:** The plush material can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, some removable plush covers may be machine washable (check individual component care tags). Allow to air dry completely.
- **Sisal Posts:** The sisal rope is durable but may fray over time with heavy use. Trim loose threads as needed.
- **Structural Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if any looseness is detected.
- **General Inspection:** Inspect the entire cat tree regularly for any signs of wear, tear, or damage. Address any issues promptly to ensure the safety and longevity of the product.

7. TROUBLESHOOTING

- **Cat Tree Feels Unstable:**

Solution: Ensure all screws are fully tightened. Verify the cat tree is placed on a level surface. Make sure the anti-tipping strap is properly installed and secured to a wall stud.

• **Cats Not Using the Tree:**

Solution: Try placing catnip on various levels or hanging toys to attract your cat. Position the tree in a location your cat frequently visits or near a window for viewing.

• **Damaged Components:**

Solution: If any part of the cat tree becomes damaged, discontinue use immediately. Contact Heybly customer support for replacement parts or further assistance.
