## 4. SETUP AND ASSEMBLY

This Halitaa Litter Box Enclosure requires assembly. Follow the step-by-step instructions provided in the packaging. All necessary parts are labeled for ease of identification.

### 4.1 Before You Begin

- Verify all components are present according to the parts list in your package.
- Ensure you have the required tools (typically a screwdriver).
- Assemble on a soft, clean surface to prevent scratches.

### 4.2 Assembly Steps (General Guidance)

1. Attach the side panels to the base panel using the provided hardware.
2. Secure the back panel to the assembled structure.
3. Install the internal divider (if applicable for your model) or ensure the dual-space is open as intended.
4. Attach the barn doors using the hinges, ensuring they open and close smoothly.
5. Install the magnetic latches and handles on the doors.
6. Place the top panel securely onto the assembled frame.

Refer to the detailed graphical instructions included in your product packaging for precise assembly steps.

## 5. OPERATING INSTRUCTIONS (USAGE)

### 5.1 Placing Litter Boxes

- Open the barn doors to access the interior compartments.
- Place one or two standard to large-sized litter boxes inside. Ensure there is adequate space for your cat(s) to enter, exit, and maneuver comfortably.
- Close the barn doors securely using the magnetic latches.

### 5.2 Cat Access

Cats can access the litter box(es) through the arched openings located on the side panels of the enclosure. These openings are designed to provide easy entry and exit while maintaining privacy.

### 5.3 Using as Furniture

The sturdy top panel can be used as a surface for various items such as decorative pieces, small plants, books, or other cat supplies. Avoid placing excessively heavy items to prevent damage.

## 6. MAINTENANCE

### 6.1 Cleaning the Enclosure

- Regularly wipe down the exterior and interior surfaces with a soft, damp cloth.
- For stubborn stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.

- Ensure the enclosure is completely dry after cleaning to prevent moisture damage to the MDF material.

## 6.2 Litter Box Hygiene

- Remove litter boxes for daily scooping and cleaning as per your cat's needs.
- Periodically deep clean the litter boxes and the interior of the enclosure to maintain a hygienic environment.

## 7. TROUBLESHOOTING

### 7.1 Doors Not Closing Properly

- Check if the magnetic latches are aligned correctly with the metal plates on the doors. Adjust if necessary.
- Ensure hinges are securely fastened and not bent or damaged.
- Verify that no objects inside the enclosure are obstructing the doors.

### 7.2 Enclosure Instability

- Confirm all screws and fasteners are tightened during assembly.
- Ensure the enclosure is placed on a flat, level surface.
- Avoid placing items exceeding the recommended weight capacity on the top panel.

### 7.3 Odor Issues

- Regular and thorough cleaning of the litter boxes is crucial.
- Consider using high-quality odor-absorbing litter.
- Ensure proper ventilation in the room where the enclosure is located.
