Otaku Lamps OL-BSK-01

Otaku Lamps Berserk - Guts Anime Night Light Instruction Manual

Model: OL-BSK-01

1. PRODUCT OVERVIEW

The Otaku Lamps Berserk Guts Anime Night Light (Model OL-BSK-01) is an LED lamp designed for indoor use, featuring a Guts character design from Berserk. It offers 16 color options and is controlled via a touch switch. This manual provides instructions for setup, operation, and maintenance.

Key Features:

- **Officially Licensed Design:** Features an authentic Guts character design.
- **Vibrant 16-Color RGB LED:** Offers a range of 16 distinct colors for customizable ambiance.
- **Touch Control:** Simple operation via a touch-sensitive switch.
- **USB-C Powered:** Includes a USB-C cable for power.
- **Durable Construction:** Made from Acrylonitrile Butadiene Styrene (ABS) plastic.

2. SETUP INSTRUCTIONS

- 1. Unpack Components:** Carefully remove the lamp base, acrylic Guts panel, and USB-C power cable from the packaging.
- 2. Insert Acrylic Panel:** Gently insert the acrylic Guts panel into the slot on the lamp base. Ensure it is seated firmly and correctly.
- 3. Connect Power:** Insert the USB-C end of the power cable into the port on the lamp base. Connect the other end of the cable to a compatible USB power source (e.g., USB wall adapter, computer USB port).
- 4. Placement:** Place the lamp on a stable, flat surface indoors, away from direct sunlight or excessive moisture.

3. OPERATING INSTRUCTIONS

The Otaku Lamps Berserk Guts Anime Night Light is operated using a touch-sensitive switch located on the lamp base.

- **Power On/Off:** Touch and hold the switch for approximately 2-3 seconds to turn the lamp on or off.
- **Change Color:** While the lamp is on, tap the touch switch briefly to cycle through the 16 available colors. Each tap will advance to the next color in the sequence.
- **Automatic Color Cycle:** Some models may feature an automatic color-changing mode. If available, continue tapping the switch past the last static color to activate this mode. Tap again to return to static colors.

4. MAINTENANCE

- **Cleaning:**
 - Ensure the lamp is unplugged before cleaning.
 - Wipe the acrylic panel and base with a soft, dry, lint-free cloth.
 - For stubborn marks, lightly dampen the cloth with water. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use for extended periods, unplug the lamp and store it in a cool, dry place, preferably in its original packaging to prevent dust accumulation and damage.
- **Handling:** Avoid touching the surface of the acrylic panel directly with fingers to prevent smudges. Handle by the edges when inserting or removing.
