HiWEEGO HG1059

HiWEEGO 3-in-1 City Fire Rescue Plane Building Set (Model HG1059) Instruction Manual

Model: HG1059

Introduction

This instruction manual provides detailed guidance for assembling and operating your HiWEEGO 3-in-1 City Fire Rescue Plane Building Set. This 803-piece set allows you to construct three distinct models: a Fire Rescue Plane, a Fire Station with a Fire Truck, and a Helicopter with a Patrol Aircraft. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

- **Small Parts Warning:** This building set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play for younger children.
- **Age Recommendation:** This product is suitable for ages 6 and up.
- **Material Safety:** The assembly kit is crafted from premium ABS plastic, ensuring it is non-toxic, odorless, and free of rough edges for safe handling.
- **Proper Use:** Ensure all pieces are securely connected during assembly to prevent accidental detachment during play.

Setup and Assembly

Your HiWEEGO building set includes a detailed illustrated instruction manual. Follow the step-by-step diagrams in the included manual to construct your chosen model. Remember, only one model can be assembled at a time from the provided pieces.

Choosing Your Model:

The set offers three exciting configurations:

1. **Fire Rescue Plane:** A large aircraft designed for aerial firefighting missions.
2. **Fire Station with Fire Truck:** A ground-based command center with a vehicle for urban rescue.
3. **Helicopter and Patrol Aircraft:** Aerial support units for reconnaissance and rapid response.

Assembly Process:

Refer to the included physical instruction manual for precise, step-by-step assembly. Each step clearly indicates the required pieces and their placement. Take your time and ensure each connection is firm.

Operating Instructions

Once assembled, your HiWEEGO Fire Rescue Building Set offers interactive features for realistic play scenarios.

Fire Rescue Plane Features:

- **Water Element Drop:** The lid on top of the toy plane opens to insert water elements. Turning the button underneath the plane launches these water elements, simulating aerial firefighting.

Image: Step-by-step diagram illustrating the water element projection mechanism of the fire rescue plane.

Fire Truck Features:

- **Extendable and Rotating Ladder:** The fire truck's ladder can rotate 360 degrees and extends to reach various heights, aiding in simulated high-rise rescues. After completing a mission, the fire truck can drive into the fire station.

Fire Station Features:

- **Opening Doors:** The doors of the fire station can open and close, allowing vehicles to enter and exit.
- **Drone Launchpad:** The fire station includes a platform for the small drone, which can be used for reconnaissance.

Maintenance

- **Cleaning:** To clean the building blocks, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces. Keep all pieces together in a container to avoid loss.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Replace any broken or damaged parts to maintain safety and functionality.

Troubleshooting

- **Missing Pieces:** If you find any missing pieces, please double-check the packaging and all assembled sections. If a piece is genuinely missing, contact customer support for assistance.
- **Difficulty Assembling:** Ensure you are following the instruction manual step-by-step. Some pieces may require a firm push to connect properly. If a step is unclear, review the diagrams carefully or seek assistance.
- **Loose Connections:** If parts are not holding together, ensure they are correctly aligned and fully pressed into place. The durable ABS plastic is designed for secure connections.

Specifications

Feature	Detail
Brand	HiWEEGO
Model Number	HG1059
Number of Pieces	803
Material Type	ABS Plastic
Age Range Description	6+ years old
Educational Objective	Role Play
Item Weight	1.78 Kilograms
Item Dimensions	10 x 10 x 10 inches
Included Components	Instruction Manual
