Key Features:

- **Ergonomic Design:** Provides comprehensive support for head, back, hips, and arms, suitable for various environments including offices, home offices, and design studios.
- **Adjustable Features:** Easily adjust seat height, backrest recline (90° to 120°), and flip-up armrests for personalized comfort.
- **Thickened Seat:** Features a 5-inch thick, streamlined seat cushion made of high-quality, resilient sponge for long-lasting comfort without deformation.
- **Breathable Mesh Back:** Nylon mesh back enhances breathability and durability, preventing discomfort during extended use.
- **Smooth Casters & Stable Base:** Equipped with durable rolling caster wheels for quiet, smooth mobility on various floor types, and a large 28-inch 5-star base for enhanced stability.
- **Heavy Duty Construction:** Designed to support up to 400 lbs.

SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury and ensure the safe operation of your chair:

- Always follow the assembly instructions provided.
- Do not attempt to assemble or disassemble the chair while it is in use.
- Keep the chair on a stable, level surface.
- Do not exceed the maximum weight capacity of 400 pounds.
- Ensure all bolts and screws are tightened securely before use and periodically check for looseness.
- Keep children and pets away from the chair during assembly.

SETUP AND ASSEMBLY

The HYLONE Office Chair is designed for straightforward assembly, typically taking around 30 minutes. An Allen wrench is included for your convenience. Please ensure all parts are present before beginning assembly.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all components against the parts list in your included manual.
2. **Attach Casters to Base:** Insert the five caster wheels into the holes at the ends of the chair base. Push firmly until they click into place.
3. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the assembled chair base.
4. **Attach Mechanism to Seat:** Secure the seat mechanism to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism aligns with the front of the seat.
5. **Attach Armrests:** Fasten the armrests to the seat using the designated screws. Ensure they are oriented correctly for the flip-up function.
6. **Attach Backrest:** Connect the backrest to the seat and armrests using the appropriate screws.
7. **Connect Seat Assembly to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring it is centered and stable.
8. **Install Lumbar Support:** Position the detachable lumbar support as desired on the backrest.
9. **Final Check:** Once assembled, sit on the chair to engage the gas lift and test all adjustment functions. Ensure all screws are tight and the chair is stable.

Product Dimensions

Maximum load capacity: 400lbs

MULTI-FUNCTIONAL

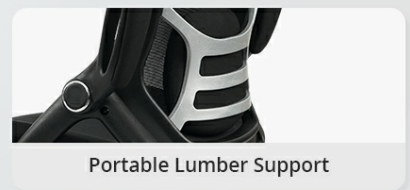

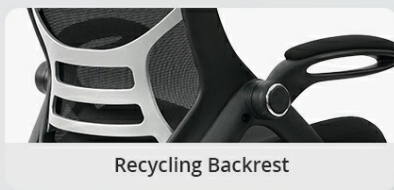

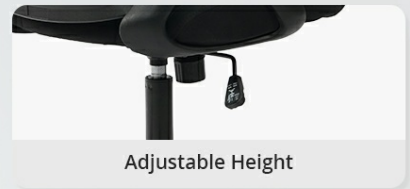

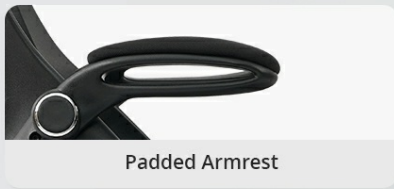

Image: Overview of multi-functional features including padded armrests, adjustable height, and portable lumbar support.

OPERATING INSTRUCTIONS

Your HYLONE office chair offers several adjustments to customize your seating experience:

- **Seat Height Adjustment:** Locate the lever on the right side under the seat. Pull the lever up to raise the seat. To lower the seat, remain seated and pull the lever up. Release the lever at the desired height.
- **Backrest Recline (Tilt) Adjustment:** The chair allows for a recline range from 90° to 120°. Pull out the lever on the left side under the seat to enable rocking. Push the lever in to lock the backrest in an upright position. A knob under the seat can be rotated to adjust the tilt tension.
- **Flip-Up Armrests:** The armrests can be flipped up by rotating them upwards. This allows the chair to be pushed further under a desk, saving space.
- **Lumbar Support:** The chair includes a detachable lumbar support. Position it along the mesh backrest to provide optimal support for your lower back. It can be adjusted for placement either behind or in front of the mesh for varied support.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your HYLONE office chair:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the mesh or cushion material.
- **Caster Care:** Periodically check the caster wheels for hair or debris that may hinder smooth movement. Clean as necessary.
- **Fastener Check:** Regularly inspect all screws and bolts to ensure they remain tight. Re-tighten if any looseness is detected.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 400 pounds.

Smooth Casters

Casters for protecting the floor are made of soft PU, which has a mute effect, does not damage the floor, and provides protection. It can move quietly and smoothly, so don't worry about disturbing your mood.

Three-Stage Air Rod

Because it is used every day, it pays more attention to safety. Alloy structure, with strong bearing capacity and slow lifting function. Sturdy and durable.

Durable Base

Our strong iron base is made of strong material, this chair could support a maximum weight of 250lbs.

Image: Components like smooth casters and the durable base contribute to the chair's longevity and ease of maintenance.

TROUBLESHOOTING

If you encounter any issues with your HYLONE office chair, please refer to the following common solutions:

- **Chair feels wobbly:** Ensure all assembly screws are securely tightened. Check that the gas lift is properly seated in the base.
- **Casters not rolling smoothly:** Inspect casters for debris (hair, lint) and clean them. Ensure the chair is on a suitable surface.
- **Seat height adjustment not working:** Check if the gas lift lever is fully engaged or disengaged. Ensure no obstructions are preventing the gas lift from functioning.
- **Backrest not reclining:** Verify that the tilt lock lever is disengaged (pulled out). Adjust the tilt tension knob to a looser setting if the recline feels too stiff.

If problems persist after attempting these solutions, please contact HYLONE customer support for further assistance.
