

WallarGe WSC701-B

WallarGe Digital Dementia Clock WSC701-B User Manual

Model: WSC701-B | Brand: WallarGe

INTRODUCTION

The WallarGe Digital Dementia Clock is designed to assist seniors and individuals with memory challenges by providing clear, easy-to-read time, day, and date information. This clock features a large 7-inch HD color display, customizable reminders, and various display modes to enhance daily organization and independence. Its user-friendly design combines essential functionality with simplicity.

PACKAGE CONTENTS

- WallarGe Digital Dementia Clock (WSC701-B)
- Power Adapter
- User Manual

SETUP

1. Power Connection

Connect the provided power adapter to the DC 5V input port on the back of the clock. Plug the adapter into a standard electrical outlet. The clock will power on automatically.

Kreuzförmig angeordnete Tasten bieten eine bessere Reaktion auf Berührungen

Rear view of the clock with power input and control buttons.

2. Initial Settings

Upon first power-on, the clock may display default settings. Use the control buttons on the back of the unit to navigate the menu and set the correct time, date, and preferred language. The clock features cross-shaped buttons for easy navigation (Up, Down, Left, Right, OK, Menu/Exit).

3. Placement

The clock can be placed on a flat surface using its built-in stand or mounted on a wall using the wall mount slot on the back. Ensure the clock is placed in a visible location for easy viewing.

OPERATING INSTRUCTIONS

1. Display Modes

The clock offers 4 display modes to suit different preferences, including colorful digital, wall clock with second hand, and two senior-friendly modes (yellow and white text). Navigate through the menu to select your desired display mode.

Uhr zeigt 6 verschiedene Zeitabschnitte für die entsprechende Zeit an

Illustration of the four available screen display modes.

2. Time and Date Settings

- Press the 'Menu' button to enter settings.
- Use the Up/Down buttons to navigate to 'Time Setting' or 'Date Setting'.
- Press 'OK' to select and use the navigation buttons to adjust values.
- The clock supports 12/24-hour display formats and automatically adjusts for Daylight Saving Time (DST).
- The display also shows 6 distinct time segments: Before Dawn, Morning, Afternoon, Evening, Night, and Midnight.

3. Setting Alarms and Reminders

The clock allows setting up to 20 individual alarms with customizable reminders. Each alarm can be set for specific times, with options for daily, weekday, or weekend recurrence.

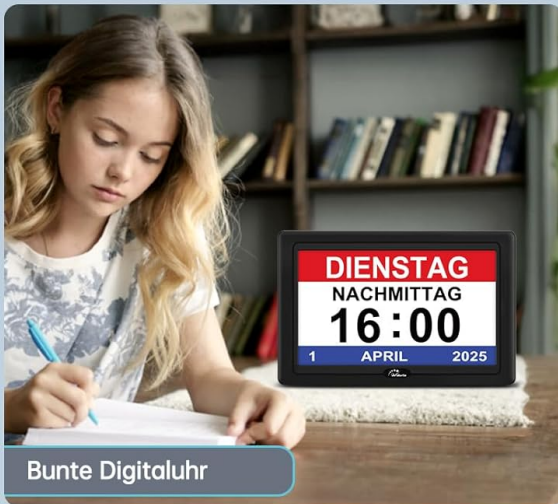

- From the menu, select 'Alarm Setting'.
- Choose an alarm slot (e.g., Alarm 1, Alarm 2).
- Set the alarm time and select a reminder icon (e.g., 'Take Medication', 'Eat Meal', 'Garden Work', 'Walk Dog').
- Choose the alarm frequency (Daily, Weekdays, Weekends, Once).
- Adjust the alarm volume (10 levels available) and select from 3 ringtones (Wave Purling, Bird Chirping, Original Beep Tone).

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the display and casing. Avoid abrasive cleaners or solvents.
- **Power Backup:** The clock includes a battery backup system that retains time, alarm, and reminder settings during a power outage, eliminating the need for re-setting.
- **Storage:** If storing the clock for an extended period, disconnect it from power and store it in a cool, dry place.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Clock does not power on.	Power adapter not connected or faulty.	Ensure the power adapter is securely connected to the clock and a working electrical outlet. Try a different outlet.

Problem	Possible Cause	Solution
Display is too dim or too bright.	Brightness settings need adjustment.	Adjust the brightness levels manually through the menu settings or ensure 'Auto' dimming is enabled if desired.
Alarm does not sound.	Alarm not set correctly or volume is too low.	Verify alarm time, frequency, and ensure alarm volume is set to an audible level in the settings.
Incorrect time or date displayed.	Time/date not set or DST setting incorrect.	Manually set the correct time and date. Check the DST setting if applicable.
