2. Setup and Assembly

Assembly of the Chrangmay Vanity Desk is required. Please ensure all components are present before beginning. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

2.1 Unpacking and Component Identification

Carefully unpack all parts from the packaging. Refer to the included parts list (not provided in this document) to identify each component. Keep all small parts, such as screws and fittings, in a designated area to prevent loss.

2.2 Assembly Steps

1. **Desk Frame Assembly:** Assemble the main desk frame. Ensure all connections are secure. The desk features **sturdy metal legs** for stability.
2. **Drawer Installation:** Install the drawers into the desk. The drawers are equipped with**smooth sliding rails** for

easy operation.

3. **Side Cabinet Attachment:** The side cabinet can be placed on either the **left or right** side of the main desk. It can also be moved along the desk for flexible positioning. Secure it using the provided **through-hole mounting** hardware.
4. **Mirror Installation:** Attach the mirror to the desk. Ensure it is securely fastened.
5. **Adjustable Feet:** Install the **adjustable feet** on the bottom of the desk and side cabinet. Adjust them to ensure the desk is level on uneven surfaces.
6. **Back Plate Installation:** Install the back plate. This model features a **0.47-inch thickened back plate** for enhanced stability and durability.

3. Operating Instructions

3.1 Mirror Lighting

The integrated mirror features adjustable lighting for various needs.

- **Power On/Off:** To turn the mirror lights on or off, **touch the designated sensor** on the mirror surface.
- **Color Modes:** The mirror offers **3 different color lighting modes**: cool light, warm light, and warm yellow light. Tap the touch sensor to cycle through these modes.
- **Brightness Adjustment:** To adjust the brightness, **long press the on/off button**. The brightness will gradually increase or decrease. Release the button when the desired brightness is reached.

4. Maintenance

Regular maintenance will help preserve the appearance and functionality of your vanity desk.

- **Cleaning:** The desk is designed to be **easy to clean**. Use a soft, damp cloth for general cleaning. For stubborn marks, a mild, non-abrasive cleaner suitable for engineered wood can be used. Avoid harsh chemicals.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Environmental Conditions:** Avoid placing the desk in direct sunlight or near heat sources, as this can cause fading or warping of the engineered wood. Maintain a stable room temperature and humidity.

5. Troubleshooting

If you encounter issues with your vanity desk, refer to the following common problems and solutions.

- **Mirror Lights are Dim or Not Working:**
  - Ensure the power cord is securely plugged into a functional outlet.
  - Verify that the touch sensor is being pressed correctly.
  - Try adjusting the brightness by long-pressing the on/off button.
  - Cycle through the three color modes to see if the issue persists across all settings.
- **Drawers are Sticking or Difficult to Open/Close:**
  - Check if the drawer is overloaded. Reduce the weight if it exceeds 30 lbs.
  - Inspect the sliding rails for any obstructions or damage.
  - Ensure the desk is level using the adjustable feet. An uneven desk can affect drawer alignment.
- **Desk Wobbles or is Unstable:**
  - Adjust the feet on the bottom of the desk and side cabinet to ensure all points are making firm contact with the floor.
  - Check all assembly hardware to ensure screws and fasteners are tight.
