SEDETA 2 person desk

SEDETA 94.5" 2 Person Gaming Desk Instruction Manual

MODEL: 2 PERSON DESK

Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Always assemble the desk on a flat, stable surface to ensure proper alignment and stability.
- Use appropriate anchoring methods to secure the desk to the wall or floor if desired, especially when the desk is fully loaded, to prevent tipping.
- Do not place heavy objects on the desk near the edges to maintain stability and prevent imbalance.
- Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging components.
- Keep small parts away from children during assembly.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desktop Panels (94.5" L x 19.7" W)
- Metal Frame Components
- 8 Fabric Drawers
- Printer Stand with Storage
- LED Light Strip (94.5" length)
- Power Strip with 3 AC Outlets and 2 USB Ports
- Monitor Stand Components
- Assembly Hardware (screws, bolts, tools)
- Instruction Manual

Setup and Assembly

Assembly is recommended for two people. Lay out all parts on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Refer to the parts list in your included manual to identify each piece.
2. **Assemble the Metal Frames:** Connect the metal frame components using the provided screws and tools. Ensure all connections are secure.
3. **Attach Desktop Panels:** Place the desktop panels onto the assembled metal frames. Secure them using the designated screws. Ensure the panels are aligned correctly to form the 94.5-inch surface.
4. **Install Monitor Stand:** Attach the monitor stand to the designated positions on the desktop. This stand is designed to elevate monitors for ergonomic viewing.
5. **Integrate Power Strip:** Carefully insert the recessed power strip into its designated slot on the desktop. Connect the power cord.
6. **Assemble and Insert Fabric Drawers:** Assemble the 8 fabric drawers according to their individual instructions. Once assembled, slide them into the designated compartments within the desk structure.
7. **Attach LED Light Strip:** Adhere the 94.5-inch LED light strip to the underside of the monitor stand or the back edge of the desktop, as desired. Ensure the surface is clean and dry for optimal adhesion.
8. **Final Check:** Verify that all connections are tight and the desk is stable. Adjust the adjustable leg pads to level the desk on uneven floors.

Operating Instructions

LED Light Strip Operation

The integrated RGB LED light strip offers customizable lighting options to enhance your workspace or gaming environment.

- **Power On/Off:** Connect the LED light strip to a power source. Use the included remote control or the dedicated mobile application to turn the lights on or off.
- **Color Selection:** Choose from over 60,000 colors and various DIY modes via the mobile application. The remote control provides access to preset colors and basic adjustments.
- **Flashing Modes:** Select from 29 different flashing modes to create dynamic lighting effects.
- **Music Sync Function:** Utilize the built-in sensitivity adjustable microphone. The LED light color will change in rhythm with ambient sound and music.

- **Timer Function:** Set a timer for the lights to automatically turn off, allowing for energy saving and convenience.

Power Strip Usage

The recessed power strip provides convenient access to power for your electronic devices.

- **AC Outlets:** The power strip includes 3 AC outlets (120V/12A) with a maximum power support of 1500W. Plug in your computer, monitors, and other AC-powered devices.
- **USB Charging Ports:** Two PowerIQ-enabled USB charging ports (5V/2A) are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The power strip features a 6.5-foot power cord for flexible placement.

Maintenance

Regular maintenance will help preserve the appearance and functionality of your desk.

- **Cleaning Surfaces:** Wipe down the engineered wood desktop and metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting. Do not machine wash.
- **LED Lights:** Gently wipe the LED strip with a dry, soft cloth to remove dust. Ensure the power is disconnected before cleaning.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

Troubleshooting

- **Desk Instability:** If the desk feels wobbly, ensure all assembly screws are tightened. Adjust the leg pads on the bottom of the desk to compensate for uneven flooring.
- **LED Lights Not Working:** Check if the LED strip is properly connected to its power source. Ensure the remote control or app is functioning correctly and the batteries (if applicable) are not depleted.
- **Power Strip Not Supplying Power:** Verify that the desk's main power cord is securely plugged into a functional wall outlet. Check if the power strip's circuit breaker (if present) has tripped.
- **Missing or Damaged Parts:** If you encounter missing or damaged parts during assembly, refer to the customer support section for assistance.

Specifications

Image: Technical diagram illustrating the key dimensions of the SEDETA 2 Person Gaming Desk, including length, width, and height.

Feature	Detail
---------	--------

Feature	Detail
Brand	SEDETA
Model Number	2 person desk
