- **Paper Towel Holder:** Slide a standard roll of paper towels onto the designated holder for convenient dispensing.

## Maintenance

- **Cleaning:** Wipe the surfaces of the rack with a dry cloth. For stubborn stains, use a slightly damp cloth and mild detergent, then dry immediately. Avoid abrasive cleaners or harsh chemicals.

- **Missing Parts:** If any parts are missing upon arrival, please contact customer support with your product model number and a description of the missing components.
- **Power Outlet Not Working:** Check if the power cord is securely plugged into both the rack and the wall outlet. Ensure the red on/off switch on the power strip is in the 'on' position. Verify the wall outlet is functional by testing with another appliance.
