## SETUP AND ASSEMBLY

Assembly of the LUMISOL Full Size Bed Frame is required. All necessary tools are included with the product. It is recommended to assemble the bed with two people.

### Before You Begin:

- Unpack all components and verify against the parts list.
- Clear a spacious area for assembly.
- Keep small parts out of reach of children.

### Assembly Steps:

1. Begin by assembling the headboard components, including the bookcase shelves and the frame for the integrated downlight and charging station.
2. Attach the side rails to the assembled headboard and footboard. Ensure all connections are secure.
3. Install the bed slats evenly across the frame to provide proper mattress support.
4. Assemble the two storage drawers. Ensure the smooth wheels are correctly attached for easy gliding.
5. Insert the assembled drawers into the designated slots beneath the bed frame.
6. Connect the power cable for the charging station and downlight to a suitable power outlet.

## OPERATING INSTRUCTIONS

### Using the Bookcase Headboard:

The headboard features multiple compartments for storing books, decorative items, or personal belongings. Ensure items are placed securely to prevent them from falling.

### Operating the Downlight:

The built-in downlight is controlled by a switch, typically located on the headboard. Turn the switch to activate or deactivate the light. This light is designed for ambient illumination and reading.

### Using the Charging Station:

The headboard includes integrated charging ports. Plug your electronic devices directly into these ports for convenient charging. Ensure the bed frame is connected to a power source for the charging station to function.

### Accessing Storage Drawers:

The two large storage drawers are located beneath the bed frame and can be pulled out from either side. Use the cut-out handles to easily slide the drawers open and closed. These drawers are ideal for storing bedding, clothing, or other personal items.

## MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to

maintain stability.

- **Drawer Maintenance:** Keep the drawer tracks clean and free of debris to ensure smooth operation.
- **Electrical Components:** Ensure the power cord for the charging station and downlight is not pinched or damaged. If any electrical issues arise, disconnect from power immediately and consult a qualified technician.
