

OYIB S75

OYIB S75 AI Translation Earbuds User Manual

Model: S75 | Brand: OYIB

INTRODUCTION

Thank you for choosing the OYIB S75 AI Translation Earbuds. These high-performance earbuds combine real-time voice translation, music playback, and high-definition calls, designed to facilitate seamless communication across language barriers and enhance your audio experience. Please read this manual carefully to ensure proper use and optimal performance of your device.

WHAT'S IN THE BOX

Upon opening your OYIB S75 package, you should find the following components:

- 2 x S75 Language Translator Earbuds
- 1 x Charging Case
- 1 x USB Charging Cable
- 3 x Pairs of Eartips (S/M/L)
- 1 x User Manual
- 1 x Translation Manual (with integrated authorization code)

SETUP

Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB charging cable to the charging port on the case and a power source. The LED display on the charging case will indicate the battery level.

Pairing with Your Device (One-Step Auto Pairing)

1. **Open the Charging Case:** The earbuds will automatically power on and enter pairing mode when the charging case lid is opened.

2. **Enable Bluetooth:** On your smartphone or device (iOS, Android, Windows compatible), go to your Bluetooth settings and enable Bluetooth.
3. **Select "S75":** Look for "S75" in the list of available Bluetooth devices and select it to connect.
4. **Connection Confirmation:** Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

The earbuds will automatically disconnect and power off when placed back into the charging case and the lid is closed. They will automatically reconnect to the last paired device when the case is opened again.

App Installation (Ear Dance)

To unlock all AI functionalities, scan the QR code provided in the manual to download the "Ear Dance" application. This app is essential for utilizing the translation features and managing advanced settings.

OPERATING MODES AND FEATURES

The OYIB S75 earbuds offer versatile functionality with 3-in-1 capabilities and multiple translation modes.

3-in-1 Functionality

- **Real-time Voice Translation:** Supports up to 164 languages with a response time under 0.5 seconds and 98% recognition accuracy.
- **Music Playback:** Enjoy high-fidelity stereo audio with deep bass and rich details.
- **High-Definition Calls:** Integrated ENC microphone effectively filters background noise for clear communication.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Eartips:** Remove and clean eartips periodically to prevent wax buildup, which can affect sound quality. Replace if damaged.
- **Charging Port:** Ensure the Type-C charging port is free of dust and debris.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and maintain battery life. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Exposure:** While IPX7 rated, avoid prolonged submersion in water. Dry thoroughly if exposed to liquids before placing back in the charging case.

TROUBLESHOOTING

Problem	Possible Cause / Solution
Earbuds not pairing/connecting.	◦ Ensure earbuds are charged. ◦ Make sure Bluetooth is enabled on your device. ◦ Place earbuds back in the case, close the lid, wait a few seconds, then open to re-enter pairing mode. ◦ Forget "S75" from your device's Bluetooth list and try pairing again. ◦ Ensure earbuds are within Bluetooth range (approx. 10 meters).

No sound or low volume.	◦ Check earbud volume via touch control or connected device. ◦ Ensure earbuds are properly seated in your ears. ◦ Clean eartips and earbud mesh for any obstructions. ◦ Reconnect the earbuds to your device.
Translation not working or inaccurate.	◦ Ensure the "Ear Dance" app is installed and running. ◦ Check your internet connection (translation requires online access). ◦ Verify correct source and target languages are selected in the app. ◦ Speak clearly and at a moderate pace. ◦ Update the app to the latest version.
Charging case not charging.	◦ Check the USB cable and power adapter. ◦ Ensure the charging port is clean and free of debris. ◦ Try a different charging cable or power source.
Earbuds not charging in case.	◦ Ensure earbuds are correctly seated in the charging slots. ◦ Clean the charging contacts on both earbuds and inside the case. ◦ Make sure the charging case itself has sufficient battery.

WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the documentation included in your product packaging or visit the official OYIB website. You can also contact the seller directly through the platform where you purchased the product.
