

Oviala 113356

Oviala Round Dining Table User Manual

Model: MARCIA (113356)

PRODUCT OVERVIEW

The Oviala MARCIA Round Dining Table is designed to be a perfect addition to your home, offering both aesthetic appeal and practical functionality. With a diameter of 120 cm and a height of 75.5 cm, it provides ample space for family meals or gatherings with friends.

The tabletop is crafted from MDF with an aluminum foil coating, ensuring durability and ease of maintenance. Its robust metal structure, finished with a black powder coating, provides stability and a contemporary design. An additional matte epoxy coating offers enhanced protection against scratches, maintaining the table's pristine appearance over time. Constructed from poplar wood (*Populus Alba*) from China, the table weighs 20.5 kg, balancing sturdiness with ease of movement.

This table is delivered as a flat-pack kit, designed for straightforward assembly, making it a convenient and elegant choice for any dining area.

SETUP AND ASSEMBLY

Your Oviala MARCIA dining table is delivered as a kit and requires assembly. Please follow these general steps to ensure proper setup. Specific detailed instructions will be included in the packaging.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (like a blanket or carpet) to prevent scratches. Verify all components listed in the included parts list are present.
2. **Identify Hardware:** Separate and identify all screws, bolts, washers, and tools provided.
3. **Assemble Base Structure:** Begin by assembling the metal base. Follow the diagrams in your specific instruction manual to connect the individual metal legs and central support. Ensure all connections are secure but do not fully tighten screws until the entire base is assembled.
4. **Attach Tabletop:** Once the base is stable, carefully place the tabletop onto the assembled base. Align the pre-drilled holes on the tabletop with the mounting points on the base. Secure the tabletop using the provided screws.
5. **Final Tightening:** Once all parts are assembled, carefully tighten all screws and bolts. Do not overtighten, as this can damage the material.
6. **Positioning:** Carefully lift and move the assembled table to its desired location. Avoid dragging the table to prevent damage to the legs or floor.

OPERATING AND USAGE

The Oviale MARCIA Round Dining Table is designed for everyday use in your dining area. Its robust construction and spacious design make it suitable for various activities.

- **Dining:** Ideal for family meals, dinner parties, and casual dining. The 120 cm diameter comfortably accommodates multiple people.
- **Work Surface:** Can also serve as a temporary work surface for crafts, homework, or other activities.
- **Placement:** Position the table on a flat, stable surface. Ensure there is adequate space around the table for chairs and movement.
- **Weight Distribution:** Distribute weight evenly across the tabletop. Avoid placing excessively heavy items on one side.

MAINTENANCE AND CARE

Proper care and maintenance will help preserve the beauty and longevity of your Oviala MARCIA dining table. The MDF tabletop with aluminum foil coating and the matte epoxy-coated metal base are designed for easy cleaning and durability.

- **Daily Cleaning:** Wipe the tabletop and base regularly with a soft, damp cloth. For spills, clean immediately to prevent staining.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these can damage the finish of both the tabletop and the metal base. A mild soap solution can be used for stubborn marks, followed by wiping with a clean, damp cloth and drying thoroughly.
- **Protect from Scratches:** Although the table has a scratch-resistant coating, it is advisable to use placemats, coasters, and trivets to protect the surface from hot dishes, sharp objects, and excessive wear.
- **Sunlight and Heat:** Avoid prolonged exposure to direct sunlight, which can cause fading or warping. Keep the table away from direct heat sources like radiators or fireplaces.

- **Moisture:** Do not allow liquids to stand on the surface for extended periods. Ensure the table is completely dry after cleaning.
- **Check Connections:** Periodically check and tighten all screws and bolts to ensure the table remains stable.

TROUBLESHOOTING

This section addresses common issues you might encounter with your dining table.

- **Table Wobbles:**
 - Ensure the table is placed on a flat, even surface.
 - Check all assembly screws and bolts. Tighten any loose connections.
 - If the floor is uneven, use furniture pads or shims under the legs to stabilize the table.
- **Scratches on Tabletop:**

- For minor surface scratches, a wood repair kit or furniture polish designed for similar finishes may help.
- Always use placemats and coasters to prevent future scratches.
- **Difficulty Assembling:**
 - Refer to the detailed assembly instructions included in your product packaging.
 - Ensure all parts are correctly oriented as per the diagrams.
 - Do not force parts together. If a part doesn't fit, re-check the instructions and part identification.

SPECIFICATIONS

Feature	Detail
Model Name	MARCIA
