## SETUP

### 1. Charging Your Earbuds

Before first use, fully charge your Twins Breez earbuds and charging case.

1. Connect the provided USB-C charging cable to the charging port on the case.
2. Plug the other end into a USB power adapter (not included) or a computer's USB port.
3. The LED indicators on the charging case will show the charging status. Once fully charged, the indicators will remain solid or turn off.
4. Place the earbuds into the charging case. They will automatically begin charging.

Image: A light grey charging case for the earbuds, shown from multiple angles, highlighting its compact design and charging port.

## 2. Bluetooth Pairing

Pair your Twins Breez earbuds with your device:

1. Ensure the earbuds are charged and inside the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
4. Select "Fresh 'n Rebel Twins Breez" from the list of available devices.
5. Once connected, you will hear a confirmation tone, and the LED lights on the earbuds will stop flashing.

*Note: The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.*

## 3. Fitting the Earbuds

For optimal sound quality and comfort, choose the correct ear tip size and ensure a proper fit.

1. Try different sizes of silicone ear tips provided (XS, S, M, L) to find the best fit for your ears.
2. Gently insert each earbud into your ear canal and twist slightly to secure it.
3. A good fit should feel snug and block out most ambient noise.

# OPERATING YOUR EARBUDS

The Twins Breez earbuds feature a clickable control button for easy management of audio and calls.

Image: Two pink Twins Breez earbuds with a hand icon indicating the clickable control area on the earbud.

## 1. Power On/Off

- **Power On:** Open the charging case, or press and hold the control button on each earbud for 3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or press and hold the control button on each earbud for 5 seconds.

## 2. Music Control

- **Play/Pause:** Single click the control button on either earbud.
- **Next Track:** Double click the right earbud's control button.
- **Previous Track:** Double click the left earbud's control button.

## 3. Call Control

The earbuds feature a noise-cancelling microphone for clear calls.

Image: A person wearing a dark blue earbud, smiling, with text indicating "Convenient Calling" and "Noise Cancelling Microphone for Clear Calls."

- **Answer/End Call:** Single click the control button on either earbud.
- **Reject Call:** Press and hold the control button on either earbud for 2 seconds.

#### 4. Voice Assistant

Activate your device's voice assistant (Siri, Google Assistant) directly from your earbuds.

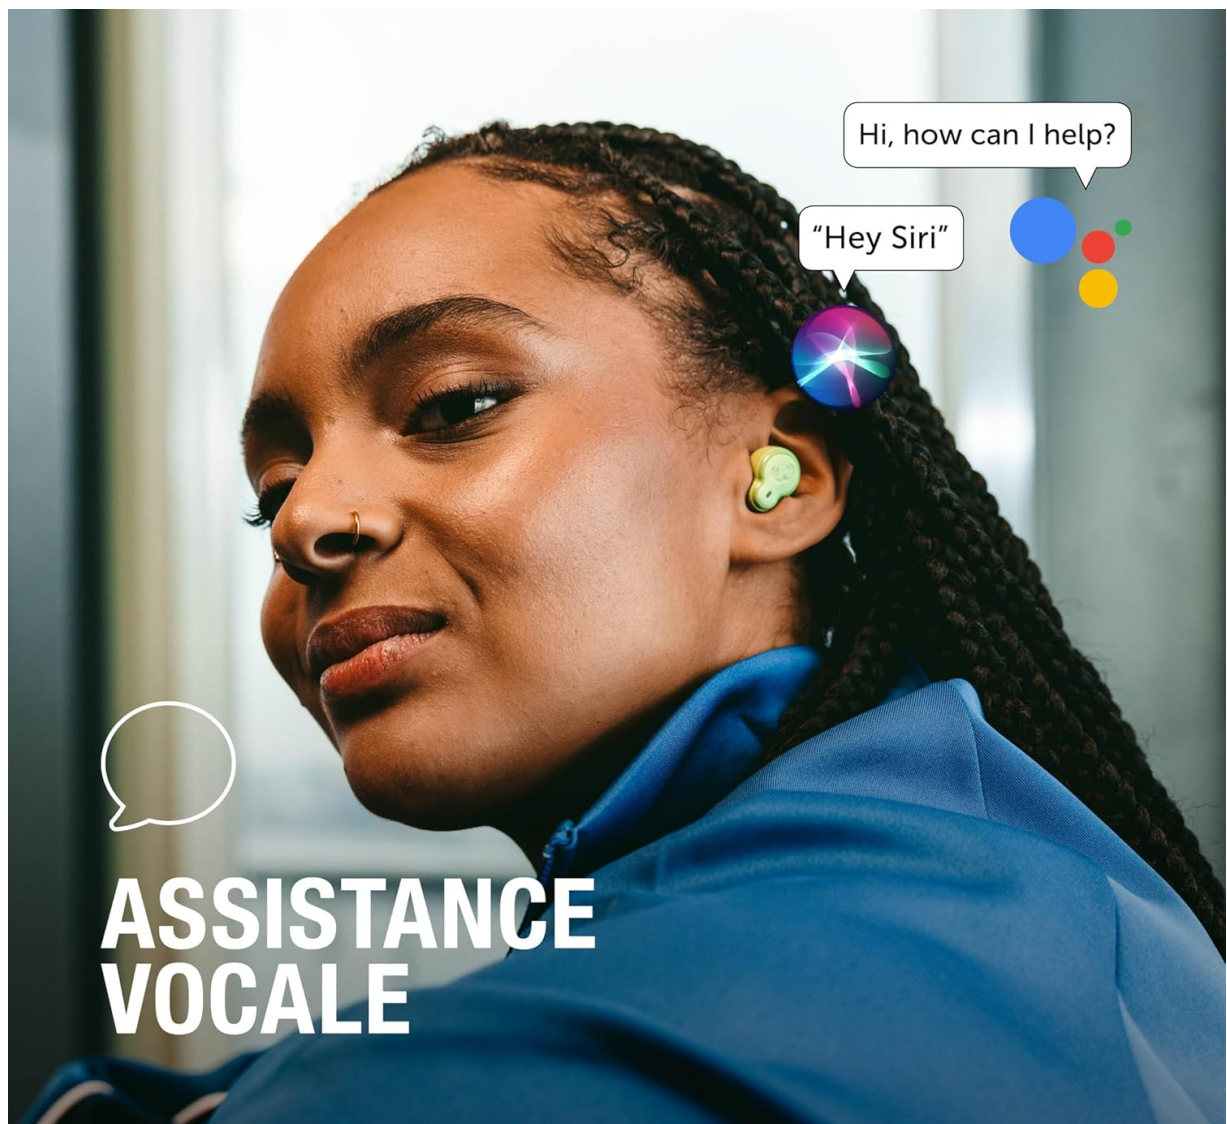

Image: A person wearing a light green earbud, with speech bubbles indicating "Hey Siri" and "Hi, how can I help?" representing voice assistant activation.

- **Activate Voice Assistant:** Triple click the control button on either earbud.

## 5. Battery Status

The Twins Breez offer up to 30 hours of total playtime with the charging case.

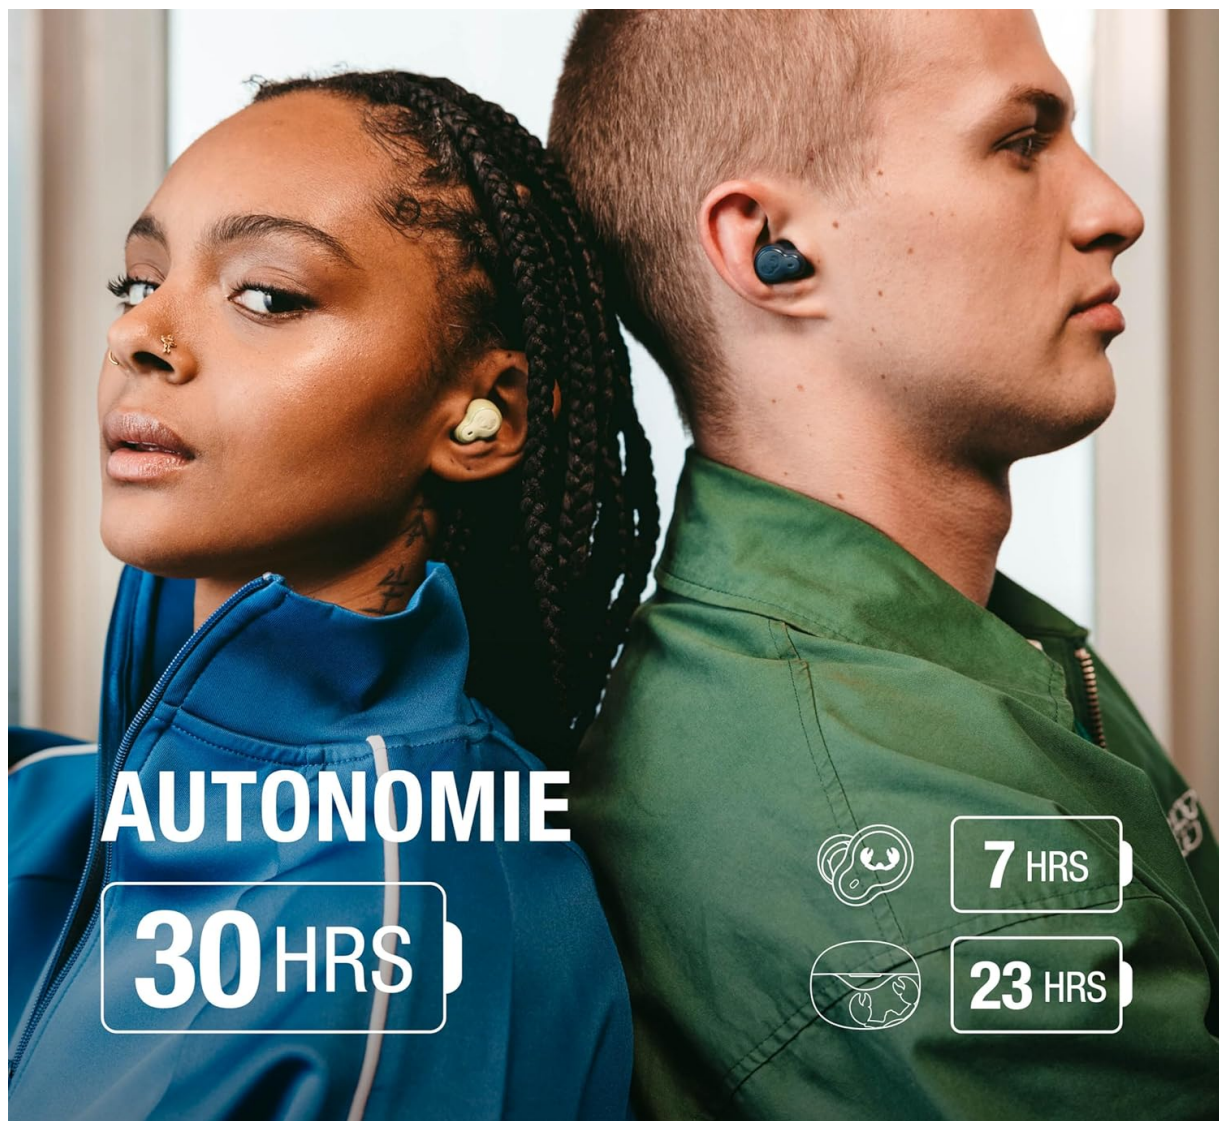

Image: Two individuals, one wearing a light green earbud and the other a dark blue earbud, with an overlay indicating "Autonomie 30 HRS" (30 hours battery life).

- **Earbud Battery:** Check the battery level on your connected device's Bluetooth settings.
- **Case Battery:** The LED indicators on the charging case show the remaining battery level. Refer to the Quick Start Guide for specific LED patterns.

## MAINTENANCE

---

### 1. Cleaning

- Regularly clean your earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Avoid using abrasive materials, alcohol, or chemical cleaners.

### 2. Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store the device in a cool, dry place, away from extreme temperatures and direct sunlight.

## TROUBLESHOOTING

---

Problem	Solution
<b>Earbuds not pairing</b>	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
<b>Only one earbud working</b>	Place both earbuds back in the case, close the lid, wait a few seconds, then open again. Ensure both are charged.
<b>Low volume or poor sound quality</b>	Adjust volume on your device. Ensure ear tips are clean and properly fitted. Try different ear tip sizes.
<b>Earbuds not charging</b>	Ensure the charging cable is securely connected. Check if the charging case has power. Clean charging contacts on earbuds and case.
<b>Intermittent connection</b>	Move closer to your device. Avoid obstacles between earbuds and device. Reduce interference from other wireless devices.
