2. SAFETY INFORMATION

Your safety is paramount. Please read and adhere to all safety instructions before and during the assembly and use of this loft bed.

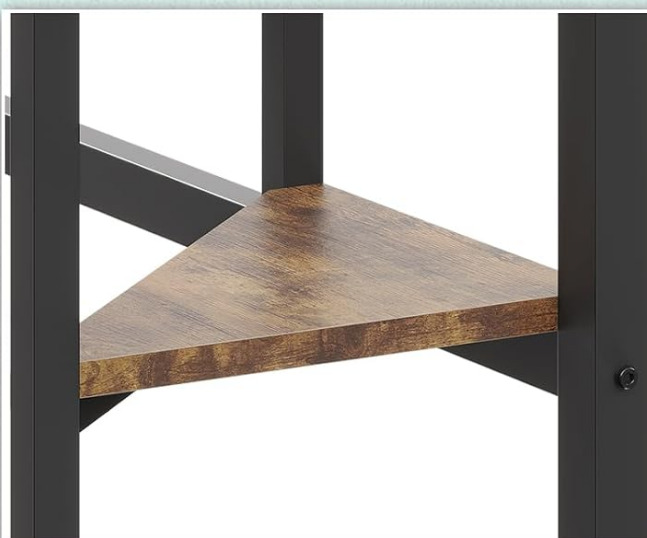

- **Weight Limit:** The loft bed is designed to support a maximum weight of 123 pounds. Do not exceed this limit.
- **Guardrails:** The bed is equipped with raised guardrails around the top to prevent accidental falls. Ensure they are securely installed.
- **Anti-Tipping Device:** Utilize the firmly fixed anti-tilt nails to mount the loft bed to the wall. This prevents the bed from shaking or tipping over, ensuring a safe sleeping environment.
- **Ladder Safety:** The movable ladder can be mounted on the front or side. Ensure it is stable and securely attached before

use. The 4-inch wide board on the steps is designed to prevent slipping.

- **Headboard:** The upgraded headboard is wrapped in soft upholstery for comfort and protection.
- **Children's Safety:** Enclosed guardrails with MDF boards are included for children's protection, preventing them from turning over and falling out while sleeping.

6. MAINTENANCE

To ensure the longevity and appearance of your BYSAUD Loft Bed, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware Check:** Periodically check all screws, bolts, and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **LED Lights:** If LED lights malfunction, check connections. Do not attempt to repair electrical components yourself; contact customer support.
- **Fabric Drawers:** Clean fabric drawers according to their specific care instructions, typically spot cleaning with a mild

detergent.

7. TROUBLESHOOTING

If you encounter any issues with your loft bed, please refer to the following common troubleshooting tips:

- **Bed Shakes/Wobbles:** Ensure all assembly hardware is securely tightened. Verify that the anti-tipping device is properly installed and anchored to the wall.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the remote control has working batteries or that the mobile app is correctly paired.
- **Charging Station Not Functioning:** Confirm the power cord for the charging station is plugged into a live wall outlet. Test with different devices to rule out device-specific issues.
- **Missing Parts:** If you discover missing parts during assembly, do not proceed. Contact customer support immediately with your product model and a list of missing components.

For problems not addressed here, or if issues persist, please contact BYSAUD customer support for assistance.
