3. DEVICE OVERVIEW

3.1 Physical Features

The DOOGEE Fire 5 is built to withstand challenging environments. It features a ruggedized body with reinforced corners and a durable exterior.

- **Dimensions:** 6.95 x 0.74 x 3.25 inches
- **Weight:** 13.8 ounces
- **Durability:** IP68/IP69K/MIL-STD-810H certified for water, dust, and drop resistance.

3.2 Display

The device is equipped with a 6.6-inch HD+ IPS display, offering clear visuals and a smooth user experience.

- **Screen Size:** 6.6 inches
- **Refresh Rate:** 90Hz for fluid scrolling and responsiveness.

- **Resolution:** 720*1612 pixels
- **Screen-to-body Ratio:** 85%

4. SETUP

4.1 Inserting SIM and TF Cards

The DOOGEE Fire 5 supports dual SIM cards and one TF (microSD) card for expanded storage.

1. Locate the SIM card tray on the side of the device.
2. Use the provided SIM ejector tool to open the tray.
3. Carefully place your Nano-SIM cards and/or TF card into the designated slots. Ensure correct orientation.
4. Gently push the tray back into the device until it is flush.

4.2 Initial Power On and Basic Settings

1. Press and hold the Power button until the DOOGEE logo appears.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.
3. Configure security settings, including Face ID, for convenient and secure access.

5. OPERATING INSTRUCTIONS

5.1 Android 15 Features

Your Fire 5 runs on Android 15, offering a range of features for enhanced usability and privacy.

- **App Cloning:** Duplicate apps for managing multiple accounts.
- **Smart Motion Sensing:** Utilize gestures for quick actions.
- **Super Clipboard:** Advanced clipboard functionality for managing copied content.
- **Split Screen:** Use two applications simultaneously on the display.
- **Enhanced Privacy Protection:** Advanced controls over app permissions and data access.
- **Screen Awareness:** Keeps the screen on while you are looking at it.
- **Live Caption (English Only):** Provides real-time captions for media playing on your device.
- **Glove Mode:** Improves touch sensitivity for use with gloves.
- **Video Enhancement:** Optimizes video playback quality.

5.2 Security Features

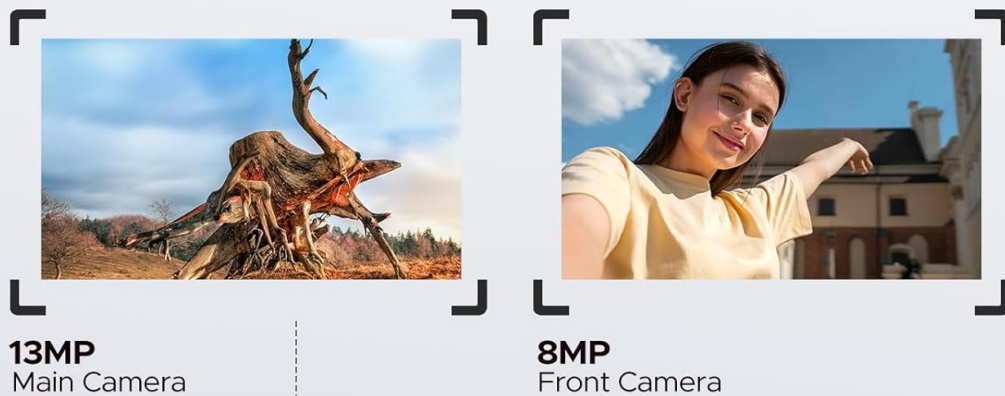

- **Face ID:** Unlock your phone quickly and securely using facial recognition.
- **Fingerprint Sensor:** (If applicable, check device for sensor location)
- **PIN/Pattern/Password:** Standard Android security options.

6. CAMERA FEATURES

The DOOGEE Fire 5 is equipped with a 13MP main camera and an 8MP front camera, enhanced with AI capabilities.

- **Main Camera:** 13 Megapixels
- **Front Camera:** 8 Megapixels
- **AI Recognition:** Automatically optimizes settings for various scenes.
- **Photography Modes:** Includes Anti-Flicker, Pro Mode, Panoramic Mode, Beauty Mode, Night Mode, and Portrait Mode.

7. CONNECTIVITY

The Fire 5 offers comprehensive connectivity options for communication and data transfer.

- **Cellular:** Dual SIM support, compatible with major carriers (T-Mobile, MetroPCS, etc.). Supports GSM, WCDMA, TDD, and FDD bands.
- **Wi-Fi:** Connect to wireless networks for internet access.
- **Bluetooth:** For connecting to wireless accessories.
- **NFC:** Near Field Communication for contactless payments and data exchange.
- **USB Type-C:** For charging and data transfer.
- **OTG (On-The-Go):** Allows connection of USB peripherals like flash drives or keyboards.
- **Navigation:** Supports GPS, Glonass, and Galileo for accurate positioning.

8. BATTERY MANAGEMENT

The Fire 5 features a high-capacity 13000mAh battery for extended usage.

- **Capacity:** 13000mAh
- **Charging:** Supports 10W charging via Type-C.
- **Reverse Charging:** 5W reverse charging allows the phone to act as a power bank for other devices.
- **Estimated Usage:** Up to 94 hours music playing, 21 hours video watching, 69 hours calling, 44 days standby.

8.1 Charging Your Device

Connect the provided Type-C USB cable to the phone's charging port and the other end to the charger. Plug the charger into a power outlet. The battery indicator on the screen will show charging status.

8.2 Optimizing Battery Life

- Adjust screen brightness.
- Disable Wi-Fi, Bluetooth, and GPS when not in use.
- Close background applications.
- Enable battery saver mode when needed.

9. MAINTENANCE

To ensure the longevity and optimal performance of your DOOGEE Fire 5, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to clean the device. Avoid harsh chemicals or abrasive materials.
- **Water and Dust Resistance:** While the device is IP68/IP69K rated, ensure all port covers are securely closed before exposure to water or dust. Avoid prolonged submersion or high-pressure water jets.
- **Temperature:** Operate the device within recommended temperature ranges. Extreme heat or cold can affect battery life and performance.
- **Impact Protection:** The MIL-STD-810H rating provides drop protection, but excessive force or repeated impacts can still cause damage.

10. TROUBLESHOOTING

If you encounter issues with your DOOGEE Fire 5, refer to the following common solutions:

10.1 Device Not Turning On

- Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on.
- Press and hold the Power button for at least 10-15 seconds to force a restart.

10.2 Network Connectivity Issues

- Check if your SIM card is correctly inserted and activated.
- Verify that mobile data is enabled in settings.
- Restart the device.
- Reset network settings (Settings > System > Reset options > Reset Wi-Fi, mobile & Bluetooth).

10.3 Applications Crashing or Freezing

- Clear the cache and data for the problematic app (Settings > Apps > [App Name] > Storage > Clear cache/Clear data).
- Update the app to the latest version from the Google Play Store.
- If the issue persists, uninstall and reinstall the app.

10.4 Touchscreen Unresponsive

- Restart the device.
- Ensure the screen is clean and free of moisture or debris.
- If using a screen protector, ensure it is properly applied and not interfering with touch.
