2. SAFETY INFORMATION

- This vanity set is designed with child safety as a priority. It is constructed from smooth, durable materials.
- The product has been rigorously tested to meet ASTM F963-23 and CPSIA safety standards.
- Ensure all parts are securely fastened during assembly to prevent instability.
- Keep small parts away from young children before and during assembly to avoid choking hazards.
- The LED mirror requires 3 AA batteries (not included). Ensure batteries are inserted correctly and replaced safely.
- The cushioned stool features an anti-slip treatment for enhanced safety during use.

3. ASSEMBLY INSTRUCTIONS

The MU Kids Vanity Table and Chair Set requires assembly. A step-by-step illustrated manual is included with the product packaging. All parts are clearly labeled to facilitate a straightforward assembly process.

1. Unpack all components and verify against the parts list provided in the separate assembly manual.
2. Follow the illustrated instructions carefully, ensuring all screws and fasteners are tightened securely.
3. Attach the LED mirror unit to the tabletop as indicated in the manual.
4. Assemble the cushioned stool according to the instructions.
5. Insert 3 AA batteries (not included) into the LED mirror's battery compartment.

4. OPERATING INSTRUCTIONS

4.1 LED Mirror Operation

The vanity mirror is equipped with Hollywood-style LED lights. These lights offer two color temperatures: cool white and warm yellow. The mirror is battery-operated and requires 3 AA batteries (not included).

- To turn on/off the lights, locate the touch sensor on the mirror frame and press it.
- To switch between cool white and warm yellow light, press the touch sensor again.
- To adjust brightness, press and hold the touch sensor until the desired brightness is achieved.

Figure 4: Illustration of the two-color lighting modes available on the LED mirror.

4.2 Jewelry Storage and Organization

The vanity set includes a dedicated jewelry organizer to keep accessories tidy and accessible. This section features:

- 11 earring slots for hanging earrings.
- 4 necklace hooks for necklaces and bracelets.
- 4 lipstick holders for small cosmetic items.
- A hidden drawer for additional small items.

4.3 General Storage

The vanity table offers various storage options to help keep the play area organized:

- A tabletop drawer for easy access to frequently used items.
- A lower cabinet with doors for concealing larger items or books.
- An open shelf for displaying items or storing accessories.

Figure 6: Various storage solutions integrated into the vanity table design.

5. MAINTENANCE

- **Cleaning the Vanity:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cleaning the Stool Cushion:** The stool cushion is made with easy-clean leather. Wipe spills immediately with a damp cloth. For tougher stains, use a mild soap solution and wipe dry.
- **Battery Replacement:** When LED lights dim or stop working, replace the 3 AA batteries in the mirror unit. Ensure proper polarity.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.

Figure 7: Details of the stool's construction, including the cushion and anti-slip features.

6. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Check if 3 AA batteries are installed.
 - Ensure batteries are inserted with correct polarity (+/-).
 - Replace old batteries with new ones.
 - Verify the touch sensor is clean and unobstructed.
- **Vanity or Stool Instability:**
 - Check all assembly screws and tighten any loose connections.
 - Ensure the vanity is placed on a flat, level surface.
- **Drawer/Cabinet Door Sticking:**

- Ensure no items are obstructing the drawer or door mechanism.
- Check for proper alignment during assembly.

7. SPECIFICATIONS
