## VEVOR LYPTBW001

# VEVOR Pickleball Paddle User Manual

Model: LYPTBW001

## 1. INTRODUCTION

---

Thank you for choosing the VEVOR Pickleball Paddle. This manual provides essential information for the proper setup, usage, maintenance, and troubleshooting of your new pickleball paddle. Designed with a T700 carbon fiber surface and a durable honeycomb core, this paddle offers enhanced power, control, and spin for an optimal playing experience.

## 2. PRODUCT FEATURES

---

- **T700 Carbon Fiber Surface:** Utilizes advanced T700 carbon fiber texture technology for enhanced grip, extended ball dwell time, and improved spin on serves. This surface contributes to the paddle's durability and strength.
- **PP Honeycomb Core:** Features a 0.63-inch (16 mm) thick polypropylene (PP) honeycomb core. This core design balances durability, strength, and flexibility, effectively reducing vibrations for a softer feel and superior control, while maximizing power and consistency in shots.
- **Sweat-Absorbing Non-Slip Grip:** The paddle is equipped with a cushioned grip designed to absorb sweat, ensuring a firm hold and sustained comfort during extended play. The handle is ergonomically sized for optimal comfort.
- **Wide Body Shape:** Weighing approximately 7.86 oz (222.8 g) and measuring 16.46 x 7.48 inches (418 x 190 mm), the paddle offers a large sweet spot and an expansive hitting area, facilitating precise and powerful shots.
- **Versatile Use:** Suitable for both indoor and outdoor pickleball environments, making it ideal for recreational play, family activities, school programs, community centers, and sports clubs.

## 4. WHAT'S IN THE BOX

Upon unboxing your VEVOR Pickleball Paddle, you should find the following items:

- 1 x VEVOR Pickleball Paddle
- 1 x Paddle Cover

- 1 x Grip Tape (additional)

## 5. SETUP

---

The VEVOR Pickleball Paddle comes pre-assembled and ready for use. No complex setup is required.

1. **Unpack:** Carefully remove the paddle and its accessories from the packaging.
2. **Inspect:** Before first use, visually inspect the paddle for any signs of damage during transit. Ensure the grip is securely wrapped and the paddle surface is free from defects.
3. **Apply Grip Tape (Optional):** If you prefer a different grip feel or need to replace the existing grip in the future, use the included grip tape. Start from the base of the handle and wrap tightly, overlapping slightly, towards the top. Secure the end with adhesive tape.
4. **Store with Cover:** When not in use, place the paddle inside the provided protective cover to shield it from dust, scratches, and minor impacts.

## 6. OPERATING INSTRUCTIONS

---

The VEVOR Pickleball Paddle is designed for optimal performance in pickleball play. Proper technique and understanding of the paddle's characteristics will enhance your game.

### 6.1 Holding the Paddle

- Hold the paddle firmly but comfortably with your dominant hand. The sweat-absorbing grip is designed to provide a secure hold even during intense play.
- Experiment with different grip positions (e.g., Continental, Eastern, Western) to find what suits your playing style and shot requirements.

### 6.2 Utilizing Paddle Features

- **T700 Carbon Fiber Surface:** Leverage the textured surface for increased spin on serves, volleys, and dinks. The enhanced grip on the ball allows for more controlled placement.
- **PP Honeycomb Core:** The core's vibration reduction provides a softer feel, which can improve control for delicate shots like dinks and drops. The balance of power and consistency aids in powerful drives and consistent returns.
- **Wide Body Shape:** The large sweet spot minimizes mishits, even on off-center shots. Aim to hit the ball within this sweet spot for maximum power and accuracy.

### 6.3 Playing Environment

This paddle is suitable for various pickleball environments:

- Indoor Courts
- Outdoor Courts
- Professional Courts
- School Playgrounds
- Park Paths
- Community Open Spaces

# Unlimited Court Usage Thrilling Matches

Professional Courts

School Playgrounds

Park Paths

Community Open Spaces

## 7. MAINTENANCE

Proper maintenance will extend the lifespan and performance of your VEVOR Pickleball Paddle.

- **Cleaning:** Wipe the paddle surface with a soft, damp cloth after each use to remove dirt, sweat, and ball residue. Avoid using harsh chemicals or abrasive cleaners, as these can damage the carbon fiber surface or the grip.

- **Storage:** Store the paddle in a cool, dry place away from direct sunlight and extreme temperatures. Use the provided paddle cover to protect it from scratches and impacts when not in use or during transport.
- **Grip Care:** If the grip becomes worn, slippery, or loses its cushioning, replace it with new grip tape. The included extra grip tape can be used for this purpose.
- **Avoid Impact:** While durable, avoid hitting the paddle against hard surfaces (e.g., court ground, net posts) as this can damage the edge guard or the paddle core.

## 8. TROUBLESHOOTING

This section addresses common concerns you might encounter with your pickleball paddle.

Problem	Possible Cause	Solution
Paddle feels slippery during play.	Sweat accumulation on the grip; worn-out grip.	Wipe the grip with a dry cloth during breaks. Consider replacing the grip tape if it's worn or if the sweat-absorbing properties have diminished.
Reduced power or control.	Hitting outside the sweet spot; paddle damage.	Focus on hitting the ball in the center of the paddle face. Inspect the paddle for any visible damage (cracks, delamination). If damaged, replacement may be necessary.
Unusual noise or vibration from paddle.	Internal core damage; loose edge guard.	Stop using the paddle immediately. Inspect the paddle thoroughly for any signs of structural compromise. Contact VEVOR customer support if you suspect a manufacturing defect.
Paddle surface appears dirty or dull.	Accumulation of dirt, dust, or ball residue.	Clean the paddle surface with a soft, damp cloth. Ensure it is completely dry before storing.

## 9. WARRANTY AND SUPPORT

VEVOR products are designed for durability and performance. For specific warranty information regarding your pickleball paddle, please refer to the warranty card included with your purchase or visit the official VEVOR website.

If you encounter any issues not covered in the troubleshooting section or require further assistance, please contact VEVOR customer support:

**Website:** [www.vevor.com](http://www.vevor.com)

**Customer Service:** Refer to the contact information on the VEVOR website for phone or email support.

When contacting support, please have your product model number (LYPTBW001) and purchase details ready.
