ERAZERL XT89 PRO

ERAZERL XT89 PRO AI Language Translator Earbuds User Manual

INTRODUCTION

The ERAZERL XT89 PRO AI Language Translator Earbuds are designed to provide seamless communication across language barriers, integrate music playback, and offer high-definition call functionality. These earbuds support real-time two-way translation for 134 languages, enhancing communication for business, travel, and learning. Featuring Bluetooth 5.4 for stable connectivity and an ergonomic design for comfort, the XT89 PRO is managed via a dedicated mobile application.

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case and connect the USB-C cable to the charging case and a power source. The indicator light on the case will show charging status.

2. Bluetooth Pairing

The XT89 PRO earbuds utilize Bluetooth 5.4 for a stable connection. To pair:

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your smartphone or device, navigate to Bluetooth settings.
3. Select "ERAZERL XT89 PRO" from the list of available devices.
4. Once connected, a confirmation sound will play, and the device will show as paired.

3. App Installation

The translation function requires the "Say Mi" application. Download the app from your device's app store (iOS App Store or Google Play Store). The Say Mi APP offers permanent free translation without subscription.

OPERATING INSTRUCTIONS

Translation Functions

The XT89 PRO earbuds provide real-time two-way translation for 134 languages. This functionality is accessed and managed through the Say Mi APP.

Image: A comprehensive list displaying the 134 languages supported by the ERAZERL XT89 PRO earbuds, alongside an image of the earbuds in their charging case.

The Say Mi APP offers multiple translation modes:

- **AI Dialogue Mode:** Facilitates natural, real-time conversations between two or more people.
- **Free Speech Mode:** Allows for continuous translation of spoken language, ideal for presentations or lectures.
- **Translation Machine Mode:** Converts spoken words into text and translates them, displaying the translation on your connected device.
- **Headphones + Mobile Phone Mode:** One person speaks into the phone, and the translation is heard through the earbuds, or vice versa.

Audio Functions

The earbuds support high-quality music playback and HD calls. Once paired, audio from your connected device will stream directly to the earbuds.

Touch Controls

The XT89 PRO earbuds feature high-sensitivity touch sensors for easy control without needing to access your phone:

- **Play/Pause:** Single tap on either earbud.

- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Long press on either earbud (when not on a call).

COMFORT AND FIT

The XT89 PRO earbuds feature a 45° in-ear ergonomic design and come with three pairs of soft silicone ear tips (XS, S, M) to ensure a secure and comfortable fit for various ear shapes. This design helps to isolate external noise and provides an immersive audio experience.

MAINTENANCE

To ensure the longevity and optimal performance of your ERAZERL XT89 PRO earbuds:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Ear Tips:** Remove and clean the silicone ear tips periodically with water and mild soap. Ensure they are completely dry before reattaching.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage.
- **Avoid Moisture:** Do not expose the earbuds or charging case to excessive moisture or liquids.

TROUBLESHOOTING

If you encounter issues with your ERAZERL XT89 PRO earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Forget the device in your Bluetooth settings and try pairing again. Place earbuds back in case, close, wait 5 seconds, then open again.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated in your ears. Clean ear tips and earbud mesh for any obstructions.
Translation not working	Ensure the "Say Mi" APP is installed and running. Check your internet connection (required for translation). Verify language settings in the APP. Ensure microphone on earbuds is not obstructed.
Earbuds not charging	Ensure charging cable is securely connected. Try a different USB-C cable or power adapter. Clean charging contacts on earbuds and case.
