MSmask twin bed frame with storage headboard

MSmask Twin Bed Frame with LED Lights and Charging Station User Manual

Brand: **MSmask** | Model: **Twin Bed Frame with Storage Headboard**

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your MSmask Twin Bed Frame. This bed frame is designed with an upholstered headboard, integrated LED lighting, a built-in charging station, and a sturdy platform structure. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

SAFETY INFORMATION

Adhere to the following safety guidelines to prevent injury or damage:

- Do not exceed the maximum weight limit of **800 pounds** on the bed frame.
- Exercise caution around sharp edges and corners during assembly and use.
- Always follow the provided assembly instructions precisely to ensure structural stability and prevent collapse.
- Keep electrical components (LED lights, charging station) away from liquids.

COMPONENTS LIST

Verify that all the following components are present in your package before beginning assembly:

- Headboard and Footboard
- Steel Frame components
- Wood Slats
- LED Light Kit
- Power Strip (for charging station)
- Screw Bag with all necessary fasteners
- Installation Manual (this document)

SETUP AND ASSEMBLY

The MSmask Twin Bed Frame is designed for straightforward assembly. The entire product is packaged in one box. No specialized skills are required.

1. **Unpack Components:** Carefully open the package and lay out all parts. Refer to the included parts list to ensure all components are present and undamaged.
2. **Follow Instructions:** Consult the detailed, numbered assembly instructions provided in your package. Each step is illustrated for clarity.
3. **Assemble Frame:** Begin by assembling the main steel frame components as directed.
4. **Attach Headboard and Footboard:** Securely attach the headboard and footboard to the assembled frame.
5. **Install Wood Slats:** Place the wood slats onto the frame. The Velcro on the wooden slats simplifies this process and helps keep them in place.
6. **Connect LED Lights and Charging Station:** Follow the specific instructions for installing the LED light strips and connecting the power strip for the charging station. Ensure all electrical connections are secure.
7. **Final Check:** Once assembled, ensure all screws and bolts are tightened, and the bed frame is stable.

Image: Dimensions of the MSmask Twin Bed Frame. The bed measures 81.1 inches long, 40.9 inches wide, and 49.6 inches high. The headboard height from the slats is 10.2 inches.

Sturdy Curved Legs

Specially designed thickened curved support legs are both aesthetic and sturdy

Image: Stable and Sturdy Structure. This diagram highlights key structural features such as the EVA foam bar for noise reduction, curved corner design, 10 solid wooden slats for even weight distribution, cross core main rods, and 9 support legs for excellent load-bearing capacity up to 800 lbs.

OPERATING INSTRUCTIONS

LED Lights

The integrated RGB LED light strips on the headboard and under the bed can be controlled via a dedicated mobile application or the included remote control.

- **Color Selection:** Choose from over 60,000 RGB colors to personalize your lighting.
- **Brightness Adjustment:** Adjust the light intensity to serve as ambient lighting or a night light.
- **Dynamic Modes:** Utilize various dynamic lighting modes for different effects.
- **Music Mode:** The lights can synchronize with music for an interactive experience.

Charging Station

The headboard features a built-in charging station for convenient power access.

- **AC Outlets:** Two 125V/12A AC outlets are available for standard electrical devices.
- **USB Port:** One 5V/2A USB port is provided for charging compatible devices.
- **Type-C Port:** One 5V/3A Type-C port is included for modern devices.

To use, simply plug the bed frame's power cord into a wall outlet, then connect your devices to the appropriate ports on the headboard.

Built-in Charging Station

Headboard Storage

The headboard offers practical storage solutions:

- **Hidden Compartment:** One large hidden compartment provides discreet storage.
- **Open Shelf:** One open shelf is available for easy access to items.
- **Side Pockets:** Two side pockets offer additional storage for smaller items like remote controls or phones.

Large Storage Headboard

Ample storage space, keep your bedside tidy

Image: Large Storage Headboard. This image displays the headboard's storage capabilities, including a hidden compartment, an open shelf, and side pockets, designed to keep bedside items organized and the room tidy.

MAINTENANCE

To maintain the appearance and longevity of your bed frame:

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Structural Check:** Periodically inspect all bolts and screws and tighten them as necessary to ensure the bed frame remains stable and secure.

Crystal Button Tufted Design

Upholstered Velvet Fabric

TROUBLESHOOTING

If you encounter issues with your MSmask Twin Bed Frame, consider the following:

- **LED Lights Not Functioning:**

- Ensure the power cord for the LED lights is securely plugged into a working electrical outlet.
- Check all connections between the LED strips and the control unit.
- Verify that the remote control or mobile app settings are correctly configured and the remote has working batteries.

- **Charging Station Not Providing Power:**

- Confirm the bed frame's main power cord is firmly plugged into a functional wall outlet.
- Test the wall outlet with another device to ensure it is receiving power.
- Ensure your device's charging cable is fully inserted into the charging station port.

- **Bed Frame Instability or Squeaking:**

- Re-check all assembly bolts and screws. Tighten any that are loose.
- Ensure all support legs are making firm contact with the floor.
- Verify that the wooden slats are properly seated and secured by the Velcro.
