1. SAFETY INSTRUCTIONS

Please read all safety instructions carefully before using the ZYXMLZ Desk Fan FT06. Keep this manual for future reference.

- Do not insert fingers or foreign objects into the fan grille.
- Keep the fan away from water or other liquids to prevent electric shock.
- Do not use the fan in excessively humid or dusty environments.
- Ensure the power source matches the fan's voltage requirements.
- Unplug the fan before cleaning or when not in use for extended periods.
- Do not attempt to disassemble or repair the fan yourself. Contact qualified service personnel.
- Keep out of reach of children and pets.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- ZYXMLZ Desk Fan FT06 (1 unit)
- USB Type-C Charging Cable (1 unit)
- No-Drill Adhesive Hooks (2 units)
- User Manual (1 unit)

3. PRODUCT OVERVIEW

Familiarize yourself with the components of your ZYXMLZ Desk Fan FT06.

Image: Front view of the ZYXMLZ Desk Fan FT06, showcasing the central LED touch screen and the surrounding fan blades.

Control Panel Features:

- **Power Button:** Turns the fan on or off.
- **Fan Speed Adjustment (+/-):** Increases or decreases fan speed (1-100 levels).
- **Night Light Button:** Activates or deactivates the night light.
- **Night Light Brightness Adjustment (+/-):** Adjusts night light brightness (1-100%).
- **Timer Button:** Sets the automatic shut-off timer.
- **Battery Level Indicator:** Displays current battery charge.

4. SETUP

4.1 Tabletop Placement

Place the fan on a stable, flat surface. Adjust the fan head to your desired angle for optimal airflow. The fan supports 360° manual angle adjustment.

Image: Multiple views of the fan demonstrating its 360-degree adjustable head for versatile positioning.

4.2 Wall Mount Installation

The fan can be mounted on a wall using the provided adhesive hooks. Ensure the surface is clean and dry before applying the hooks.

1. Clean the desired wall surface thoroughly.
2. Peel off the protective backing from the adhesive hooks.
3. Press the hooks firmly onto the wall, ensuring they are level and spaced appropriately for the fan's mounting holes.
4. Wait for at least 24 hours for the adhesive to fully cure before hanging the fan.
5. Carefully hang the fan onto the hooks.

Desktop And Wall Mounted Double-use

Multi-scene application, can stand or hang, break through the limit of application.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

Lightly touch the power button icon on the LED touch screen to turn the fan on or off.

5.2 Fan Speed Adjustment

The fan offers 1 to 100 speed levels. Use the '+' and '-' icons on the touch screen to increase or decrease the fan speed. The current speed level will be displayed digitally.

Video: Demonstration of the ZYXMLZ Desk Fan FT06's touch screen controls for adjusting fan speed and night light settings. This video also shows the fan's wall-mountable feature and quiet operation.

Video: A close-up demonstration of the LED touch screen interface on the ZYXMLZ Desk Fan FT06, showing how to adjust fan speed and light settings.

5.3 Night Light Control

Touch the light bulb icon to turn the night light on or off. Use the '+' and '-' icons next to the light bulb to adjust the brightness from 1% to 100%. The night light provides a soft, ambient glow.

Image: The fan operating with its night light feature, placed on a bedside table.

5.4 Timer Function

Press the timer icon to set an automatic shut-off timer. Available timer settings typically range from 30 to 180 minutes. The fan will automatically turn off after the set duration.

5.5 Memory Function

The fan remembers your last used fan speed and night light settings, eliminating the need to reconfigure them each time you turn it on.

6. CHARGING

The ZYXMLZ Desk Fan FT06 is equipped with a 4000 mAh rechargeable battery and supports USB Type-C fast charging.

- Connect the provided USB Type-C cable to the charging port on the fan.
- Connect the other end of the cable to a compatible USB power adapter (not included) or a computer USB port.
- The battery level indicator on the LED screen will show the charging status.
- A full charge typically takes approximately 3 hours.
- The fan can be used while charging.

7. MAINTENANCE

Regular cleaning helps maintain optimal performance and extends the lifespan of your fan.

- **Cleaning the Exterior:** Wipe the exterior surfaces with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Cleaning the Fan Grille:** Use a soft brush or a vacuum cleaner with a brush attachment to remove dust from the fan grille. Do not attempt to remove the grille or fan blades.
- **Storage:** When not in use, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures.

8. TROUBLESHOOTING

Refer to the table below for common issues and their solutions.

Problem	Possible Cause	Solution
Fan does not turn on.	Low battery or not charged.	Charge the fan using the USB Type-C cable.
Fan does not turn on.	Power button not pressed correctly.	Ensure a firm touch on the power icon on the LED screen.
Weak airflow.	Low fan speed setting.	Increase the fan speed using the '+' icon on the touch screen.
Weak airflow.	Fan grille is obstructed or dirty.	Clean the fan grille to remove dust or obstructions.
Night light not working.	Night light is turned off or brightness is set to 0%.	Touch the light bulb icon to turn on the night light and adjust brightness with the '+' icon.
Fan makes unusual noise.	Foreign object in the fan.	Turn off and unplug the fan. Carefully check for and remove any foreign objects. If noise persists, contact support.
