BIGEARN Umo-b822

BIGEARN Flowers Bonsai Building Set

MODEL: UMO-B822

Instruction Manual

1. Introduction

This manual provides comprehensive instructions for assembling and maintaining your BIGEARN Flowers Bonsai Building Set, Model Umo-b822. This kit allows you to construct a detailed artificial botanical display featuring sunflowers, chrysanthemums, succulents, and climbing ivy. Please read all instructions carefully before beginning assembly.

2. Safety Information

WARNING: Choking Hazard - small parts. Not suitable for children under 3 years. Adult supervision required.

Keep all small parts away from young children and pets. Ensure a clean and organized workspace to prevent loss of pieces.

3. Parts Overview

Your BIGEARN Flowers Bonsai Building Set contains various building blocks organized into numbered bags. These include:

- Base plates and structural elements for the planter.
- Numerous small pieces for constructing flower petals, leaves, and stems.
- Specialized elements for creating realistic textures of sunflowers, chrysanthemums, succulents, and ivy.

Refer to the included instruction booklet for a detailed visual inventory of all components.

4. Assembly Instructions

Follow the step-by-step instructions provided in the physical manual included with your set. The assembly process is divided into stages, corresponding to the numbered bags of building blocks.

1. **Preparation:** Clear a well-lit, flat surface for assembly. Open only the numbered bag specified in the current step of the instruction booklet.
2. **Base Construction:** Begin by assembling the planter base according to the manual. Ensure all pieces are firmly connected.
3. **Plant Assembly:** Proceed to build the individual botanical elements. The manual will guide you through constructing the sunflowers, chrysanthemums, succulents, and ivy. Some pieces may require firm, even pressure to snap into place.
4. **Arrangement:** Once individual plants are complete, integrate them into the planter base as shown in the manual's final steps. Pay attention to the placement of bendable ivy vines and other decorative elements to achieve the intended display.

Patience is key during assembly, especially with smaller or more intricate pieces. If a piece does not fit easily, double-check the instructions to ensure correct orientation and component selection.

5. Display and Placement

Once assembled, your BIGEARN Flowers Bonsai is designed to enhance various indoor environments. Its compact size makes it suitable for:

- Desktops and office spaces
- Windowsills
- Living room shelves or coffee tables
- Bedroom nightstands

Choose a location where the display can be admired without being easily knocked over.

6. Maintenance

As an artificial botanical display, the BIGEARN Flowers Bonsai requires minimal maintenance:

- **Dusting:** Periodically dust the display with a soft brush or a can of compressed air to keep it looking fresh.
- **Cleaning:** For more thorough cleaning, gently wipe the pieces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Avoid Direct Sunlight:** While durable, prolonged exposure to direct sunlight may cause colors to fade over time.

7. Troubleshooting

- **Pieces Not Fitting:** Ensure you are using the correct pieces for the step. Apply firm, steady pressure. If a piece consistently does not fit, check for any manufacturing defects.
- **Missing Pieces:** While rare, if you discover a missing piece, please contact BIGEARN customer support with details of the missing part and your purchase information.
- **Display Instability:** If the assembled bonsai feels unstable, re-examine the connections of the base and the main plant structures. Ensure all interlocking pieces are fully engaged.

8. Specifications

Feature	Detail
Product Dimensions	11.8 x 9.5 x 2.7 inches
Item Weight	2.12 pounds
Model Number	822 (Umo-b822)
Recommended Age	14 years and up
Manufacturer	BIGEARN
