ZLKJ ZL-SW8

ZLKJ ZL-SW8 Smartwatch User Manual

Model: ZL-SW8

1. INTRODUCTION

This manual provides detailed instructions for the ZLKJ ZL-SW8 Smartwatch. Please read it thoroughly to ensure proper use and optimal performance of your device.

What's in the Box

- ZL-SW8 Smartwatch
- Magnetic Charging Cable
- User Manual

2. SETUP

2.1 Initial Charging

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included).

2.2 App Installation and Pairing

1. Download the "Da Fit" app from your smartphone's app store (compatible with Android and iOS).
2. Open the Da Fit app and follow the on-screen instructions to create an account or log in.
3. Enable Bluetooth on your smartphone.

4. In the Da Fit app, search for your ZL-SW8 smartwatch and select it to pair.
5. Confirm the pairing request on both your phone and the smartwatch.

3. OPERATING INSTRUCTIONS

3.1 Basic Navigation

- **Touchscreen:** Swipe left/right, up/down to navigate menus and access features. Tap to select.
- **Side Buttons:** The watch features multiple side buttons. Refer to the product diagram for specific functions (e.g., Power, GPS, GPT).

3.2 Bluetooth Calling

Once paired with your smartphone, you can make and receive calls directly from your wrist using the built-in microphone and speaker.

- To answer an incoming call: Tap the green answer icon on the watch screen.
- To reject an incoming call: Tap the red reject icon on the watch screen.
- To make a call: Access the dialer or contacts through the watch interface.

Don't miss phone messages

Always online Stay connected

When you are exercising outdoors, doing housework or cooking, connect your smart watch to your phone via Bluetooth and enjoy the convenience of viewing call records, answering and rejecting calls, and checking messages on the watch.

Bluetooth calling

The watch is connected to the phone via Bluetooth. When a call comes in, you can choose to answer or reject it through the watch.

Information Notification

Important incoming call information is notified in time, so you don't have to worry about missing important things

3.6 Notifications

Receive real-time notifications for calls, messages, and various app alerts directly on your watch. Customize notification settings through the Da Fit app.

3.7 Custom Watch Faces

Personalize your smartwatch with customizable watch faces. Choose from over 100 pre-installed styles or upload your own photos via the Da Fit app.

AI dial can be freely replaced

3.8 Tactical Flashlight and SOS Function

The watch includes a tactical flashlight feature for illuminating dark areas. It also has an SOS function (three long and three short presses of the power button in flashing state) for emergency signaling.

4. FEATURES OVERVIEW

- **Display:** 1.39-inch HD touchscreen with 360*360 pixel resolution.
- **Waterproof Rating:** 3ATM waterproof, suitable for swimming and rain exposure.
- **Durability:** Engineered for outdoor conditions, drop-resistant, corrosion-resistant, high-temperature resistant, and dust-proof.
- **Compatibility:** Works with Android (4.4 and above) and iOS (9 and above) devices.
- **Health Monitoring:** Includes step tracking, sleep tracking, and heart rate monitoring.
- **Battery Life:** Up to 30 days standby, 7-10 days typical use, 20 hours in GPS mode.

- **Additional Functions:** Music control, weather updates, alarm clock, do not disturb mode, power saving mode, phone finder, raise-to-wake function.

5. MAINTENANCE

- **Cleaning:** Wipe the watch and strap regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then rinse and dry thoroughly.
- **Water Resistance:** The watch is 3ATM waterproof. It is suitable for splashes, rain, and swimming. Avoid hot water, saunas, or diving, as extreme temperatures and high-pressure water jets can compromise the seal.
- **Charging:** Ensure the charging contacts are clean and dry before charging to prevent corrosion.
- **Storage:** Store the watch in a cool, dry place when not in use.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Watch does not turn on	Low battery	Charge the watch for at least 30 minutes.
Cannot pair with phone	Bluetooth off, app issue, watch too far	Ensure Bluetooth is on, restart phone/watch, reinstall Da Fit app, keep devices close.
Inaccurate fitness tracking (steps, heart rate)	Improper fit, sensor obstruction, software glitch	Ensure watch is snug on wrist, clean sensors, restart watch, check for app updates.
Notifications not received	App permissions, Do Not Disturb mode, Bluetooth disconnected	Check Da Fit app notification settings, disable DND on watch/phone, ensure stable Bluetooth connection.
Short battery life	Frequent GPS use, high brightness, many notifications	Reduce screen brightness, limit background app refresh, use power-saving mode.
