Jocoevol 55-inch Buffet Cabinet with Storage (Model sidboard0509) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

INTRODUCTION

This manual provides detailed instructions for the assembly, safe use, and maintenance of your Jocoevol 55-inch Buffet Cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

Important: Please follow the assembly instructions carefully to avoid injury. This cabinet can support up to 90 pounds of weight. Ensure it is not overloaded to prevent tipping or damage. Always place heavier items on lower shelves.

- Ensure all hardware is securely tightened during assembly.
- Do not stand or climb on the cabinet.
- Use the included anti-tipping hardware to secure the cabinet to a wall, especially in homes with children or pets.
- Keep small parts away from children during assembly.

PARTS LIST AND HARDWARE

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the detailed parts list provided in your product packaging. If any parts are missing or damaged, please contact customer support immediately.

Typical components include:

- Top Panel
- Bottom Panel
- Side Panels
- Back Panels
- Doors (4 units)
- Adjustable Shelves (2 units)
- Legs/Base Supports
- Door Hinges
- Handles
- Screws, Dowels, Cam Locks, Anti-Tipping Kit

SETUP AND ASSEMBLY

Assembly of the Jocoevol Buffet Cabinet is designed to be straightforward. The package includes clear installation instructions, numbered parts, and pre-drilled holes for quick and accurate installation. Two people are recommended for assembly.

Step-by-Step Guide:

1. **Prepare the Area:** Clear a spacious, clean, and flat area for assembly. Lay down a blanket or cardboard to protect the cabinet parts and your floor.
2. **Identify Parts:** Unpack all components and identify them using the provided parts list and diagrams.
3. **Assemble the Base:** Attach the legs or base supports to the bottom panel according to the instructions.
4. **Construct the Frame:** Connect the side panels to the bottom panel, then attach the top panel. Ensure all connections are secure.
5. **Install Back Panels:** Slide or fasten the back panels into place.
6. **Attach Doors:** Mount the hinges to the doors and then attach the doors to the cabinet frame. Adjust hinges as needed for proper alignment.
7. **Install Handles:** Secure the handles to the doors.
8. **Insert Shelves:** Place the adjustable shelves at your desired height. The shelves can be adjusted to 3 different heights.
9. **Secure with Anti-Tipping Kit:** For safety, attach the anti-tipping hardware to the back of the cabinet and secure it to a wall stud.

OPERATING AND USAGE

Your Jocoevol Buffet Cabinet is designed for versatile storage and display. It can function as a buffet sideboard, coffee bar, or general storage solution in various rooms.

Key Features:

- **Ample Storage:** The cabinet features four doors and two adjustable shelves, providing generous space for kitchenware, dining essentials, decorative items, or other household goods.
- **Adjustable Shelves:** Customize the interior space by adjusting the shelves to one of three available heights to accommodate items of varying sizes.
- **Multi-Purpose Design:** Suitable for kitchens, dining rooms, living areas, or entryways.
- **Sturdy Construction:** Built from premium engineered wood with heavy-duty hardware for stability and durability.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Jocoevol Buffet Cabinet.

- Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- Spills:** Clean up spills immediately to prevent staining or water damage.
- Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.
- Heat and Moisture:** Keep the cabinet away from direct heat sources and areas of high humidity.
- Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; uneven floor.	Ensure all screws and cam locks are fully tightened. Adjust floor levelers if present, or place shims under legs on uneven surfaces.
Doors do not align properly.	Hinges are not adjusted correctly.	Adjust the screws on the hinges to align the doors. Refer to the assembly instructions for hinge adjustment details.
Difficulty closing doors.	Obstruction inside; misaligned hinges.	Check for items blocking the door path. Re-adjust hinges if necessary.
Missing parts during assembly.	Packaging error.	Contact Jocoevol customer support with your purchase details and the specific missing parts.
