BIGEARN Artificial Flowers Building Sets (Model 784) Instruction Manual

9 Pack DIY Botanical Succulents

1. INTRODUCTION

This manual provides detailed instructions for assembling and caring for your BIGEARN Artificial Flowers Building Sets, Model 784. This set includes components to create 9 unique botanical succulents, designed for adults and enthusiasts of building block models. The finished models serve as decorative elements for home or office environments.

2. SAFETY INFORMATION

WARNING: Choking Hazard - Small parts. Not suitable for children under 3 years. Adult supervision required.

- Keep all small components away from young children.
- Ensure assembly is performed in a well-lit area to prevent eye strain.
- Dispose of packaging materials responsibly.

3. PACKAGE CONTENTS

Your BIGEARN Artificial Flowers Building Set (Model 784) includes the following:

- Building block components for 9 distinct artificial succulent models.
- Detailed instruction manual for assembly.
- Individual bags of components, typically numbered for sequential assembly.
- A gift box for storage or presentation.

Please verify all components are present before beginning assembly. If any parts are missing, contact BIGEARN customer support.

4. SETUP: ASSEMBLY INSTRUCTIONS

Follow the included detailed instruction manual step-by-step for each succulent model. The components are typically organized in numbered bags to streamline the building process.

1. **Preparation:** Open one numbered bag at a time. Lay out the pieces on a clean, flat surface.
2. **Follow Instructions:** Refer to the provided instruction booklet for specific steps for each of the 9 succulent designs.
3. **Component Connection:** Some pieces may require firm, gentle pressure to connect securely. If a connection feels overly tight, ensure correct alignment before applying more force.
4. **Flower and Stem Assembly Tip:** For easier assembly, it is often beneficial to attach smaller flower pieces to their respective stems *before* connecting the entire stem assembly to the main plant structure. This can prevent accidental disassembly of the main plant when applying pressure to attach small parts.
5. **Color Identification:** Pay close attention to the colors depicted in the instruction manual. In some cases, subtle color variations (e.g., light green vs. dark green) may appear similar in print. Use bright lighting to distinguish between shades if necessary.

5. OPERATING: DISPLAY AND ARRANGEMENT

Once assembled, your BIGEARN botanical succulents are ready for display. These artificial plants require no watering or sunlight, making them ideal for various indoor settings.

- **Placement:** Arrange the 9 unique succulents individually or group them to create a botanical garden display on desks, bookshelves, windowsills, or office spaces.
- **Versatility:** The compact size of each succulent (approximately 5-10cm in height) allows for versatile placement in small or large areas.

6. MAINTENANCE

The BIGEARN Artificial Flowers Building Sets are designed for minimal maintenance.

- **Cleaning:** To remove dust, gently wipe the models with a soft, dry cloth or use a soft brush. Avoid using harsh chemicals or abrasive materials.
- **Watering:** No watering is required as these are artificial plants.
- **Sunlight:** Direct prolonged sunlight may cause slight fading over extended periods, though the ABS material is designed for durability.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Pieces are difficult to connect.	Incorrect alignment or tight fit.	Ensure pieces are correctly oriented. Apply firm, steady pressure. Avoid excessive force to prevent damage.
Difficulty distinguishing colors in the instruction manual.	Printed colors may appear similar.	Assemble in a brightly lit area. Compare physical pieces carefully to the illustrations, looking for subtle differences in shape or texture if colors are ambiguous.
Missing components.	Manufacturing or packaging error.	Contact BIGEARN customer support with your product model number and details of the missing parts.

8. SPECIFICATIONS

- **Model Number:** 784
- **Product Dimensions:** 11.8 x 9 x 2 inches (packaging)
- **Item Weight:** 1.72 pounds
- **Material:** ABS plastic
- **Recommended Age:** 14 years and up
- **Number of Models:** 9 unique succulent designs
- **Individual Plant Height:** Approximately 5-10 cm
