6. Maintenance and Care

To ensure the longevity and appearance of your VECELO Bunk Bed, follow these simple care instructions:

- **Cleaning:** Wipe with a damp cloth for general cleaning. For a thorough clean, use a dry cloth. Avoid harsh chemicals or abrasive cleaners that may damage the powder-coated finish.
- **Regular Checks:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety.
- **Avoid Overloading:** Do not exceed the specified weight capacities for each bunk.

7. Troubleshooting

If you encounter any issues with your bunk bed, please refer to the following common solutions:

- **Squeaking Noises:** Ensure all slats are properly seated and secured with the noise-free clips. Check and tighten all bolts.
- **Instability/Wobbling:** Verify that the bed is securely attached to the wall using the anti-tipping accessories. Confirm all frame connections are tight.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately.
