FOLIAGE 5" Hammered

FOLIAGE Stainless Steel Mayim Achronim Cup with Tray 5" (Hammered) User Manual

Model: 5" Hammered

1. INTRODUCTION

This manual provides instructions for the proper use and care of your FOLIAGE Stainless Steel Mayim Achronim Cup with Tray. This elegant set is designed for the traditional Jewish ritual of Mayim Achronim, the washing of fingertips after a meal. Crafted from durable stainless steel with a hammered finish, it combines functionality with aesthetic appeal for your dining table.

2. SETUP

1. **Unpack:** Carefully remove the Mayim Achronim cup and tray from its packaging. Inspect both items for any signs of damage during transit.
2. **Initial Cleaning:** Before first use, wash the cup and tray thoroughly with warm water and a mild dish soap. Rinse completely and dry with a soft cloth to prevent water spots.
3. **Placement:** The set is designed to be placed on your dining table during meals. Ensure it is on a stable, flat surface.

3. OPERATING INSTRUCTIONS

The FOLIAGE Mayim Achronim set is straightforward to use for its intended purpose:

1. **Fill the Cup:** Before the ritual, fill the small cup with a small amount of water.
2. **Perform the Washing:** After the meal, pour a small amount of water from the cup over the fingertips of one hand, allowing the water to collect in the tray. Repeat for the other hand.
3. **Empty the Tray:** After use, carefully empty any collected water from the tray.

4. MAINTENANCE AND CARE

- **Regular Cleaning:** Wash the cup and tray after each use with warm water and mild dish soap.
- **Drying:** Always dry thoroughly with a soft, lint-free cloth immediately after washing to prevent water spots and maintain the shine of the stainless steel.
- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch the stainless steel and damage the hammered finish.
- **Storage:** Store in a dry place when not in use.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Water spots or streaks	Improper drying; hard water residue.	Dry immediately and thoroughly with a soft cloth after washing. For stubborn spots, use a stainless steel cleaner or a solution of vinegar and water, then rinse and dry.
Dull appearance	Residue buildup; lack of polishing.	Ensure thorough cleaning. Polish with a soft cloth and a stainless steel polish designed for kitchenware.
Minor scratches	Contact with abrasive materials.	Stainless steel is durable but can scratch. Avoid abrasive cleaners and sharp objects. Minor scratches are often cosmetic and do not affect functionality.

6. SPECIFICATIONS

- **Product Type:** Mayim Achronim Cup with Tray
- **Material:** Stainless Steel
- **Finish:** Hammered
- **Size:** 5 inches (approximate tray diameter)
- **Brand:** FOLIAGE
