Viconor B0F87NVKL2

Viconor Laser Hair Growth Cap Instruction Manual

Model: B0F87NVKL2

1. Product Overview

The Viconor Laser Hair Growth Cap is a low-level laser therapy (LLLT) device designed to promote hair growth. It utilizes red light to stimulate hair follicles on the scalp.

Image: The Viconor Laser Hair Growth Cap, a black baseball-style cap, shown alongside its wired remote control unit. The cap's interior is visible, revealing numerous red LED lights.

2. Package Contents

- Viconor Laser Hair Growth Cap
- Controller Unit
- USB Charging Cable
- Wall Power Adapter
- User Manual

3. Setup

1. **Unpack the Device:** Carefully remove all components from the packaging.

2. **Connect the Controller:** Plug the cable from the cap into the designated port on the controller unit.
3. **Power Supply:** Connect the controller to a power source using the provided USB charging cable and wall adapter. Alternatively, a portable power bank (not included) can be used for mobile operation.

Image: Diagram illustrating two power supply options for the cap: directly to a wall socket via adapter, or to a portable power bank (not included) using the USB cable.

4. Operating Instructions

1. **Turn On:** Press the power button on the controller unit to activate the device. The LED lights inside the cap will illuminate.
2. **Adjust Intensity:** The device offers 5 light therapy modes/intensity levels. Use the intensity adjustment buttons on the controller to select your desired level.
3. **Set Timer:** The cap features a 30-minute auto-timer. You can adjust the session duration using the timer buttons on the controller.
4. **Wear the Cap:** Place the cap comfortably on your head, ensuring the LED lights are positioned over the desired scalp areas. The cap features a Velcro adjustable size for a secure fit.
5. **Recommended Usage:** Use the device for 30 minutes per session, up to 5 times per week. Consistent use is key for optimal results.

5. Maintenance

- **Cleaning:** Gently wipe the interior and exterior of the cap with a soft, dry cloth. Do not immerse the device in water or use harsh chemicals.
- **Storage:** Store the cap in its original box or a safe, dry place when not in use to protect it from dust and damage.

6. Troubleshooting

- **Device Not Turning On:** Ensure the controller unit is fully charged and properly connected to the cap.
- **Lights Not Illuminating:** Verify that the power button on the controller has been pressed and the device is receiving power.

7. Specifications

Feature	Detail
Package Dimensions	10.83 x 7.64 x 4.49 inches; 1.39 Pounds
ASIN	B0F87NVKL2
Light Therapy Modes	5
