MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the lifespan of your ERYE L-Shaped Modular Sectional Sofa.

- **Cleaning:** Do not use strong liquid cleaners on the faux fur upholstery. For general cleaning, a soft, damp cloth can be used. For spills, blot immediately with a clean, dry cloth.
- **Pet Hair:** The faux fur material is designed to resist pet hair from sticking, making it easier to clean. Regular vacuuming with an upholstery attachment can help maintain its appearance.
- **Fluffing:** Periodically fluff cushions and pillows to maintain their shape and comfort.

TROUBLESHOOTING

This section addresses common concerns you might encounter with your sofa.

- **Sofa feels stiff:** Upon initial unpacking, the foam may feel stiff. This is normal. Allow up to 48 hours for the foam to fully expand and soften to its intended comfort level. Regular use will also contribute to increased comfort over time.
- **Packages arrived separately:** The sofa is shipped in two packages. It is common for these packages to arrive on different days. Please allow an additional day or two for the second package to arrive. If there is a significant delay, contact customer support.
