## 2. SAFETY INSTRUCTIONS

Please read and understand all safety instructions before assembling or using the vanity desk. Failure to follow these instructions may result in injury or damage to the product.

- **Electrical Safety:** Always unplug the vanity before assembly, disassembly, or cleaning. Do not use the vanity if the electrical components (mirror light, power cord) are damaged or malfunctioning. Keep the vanity away from water and moisture to prevent electric shock.
- **Assembly Safety:** Be cautious of sharp edges and pinch points during assembly. Ensure all screws and fasteners are securely tightened before use. Do not overtighten screws.
- **Placement:** Place the vanity on a flat, stable surface. Avoid placing it near heat sources, open flames, or in direct sunlight for prolonged periods.
- **Weight Capacity:** Do not exceed the stool's weight capacity of 220 lbs (100 kg). Do not place excessively heavy items on the vanity surface or in drawers.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets. Supervise children

around the vanity to prevent accidents.

- **Maintenance:** Only use recommended cleaning agents. Do not use abrasive cleaners or harsh chemicals.

## 6. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your PulseFay vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror's edges or electrical components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning any electrical parts. Do not immerse any part of the vanity in water.
- **Drawer Rails:** Periodically check drawer rails for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.
- **Hardware:** Occasionally check all screws and fasteners to ensure they remain tight. Retighten if necessary.

## 7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror light does not turn on.	Power adapter not connected; outlet malfunction; sensor issue.	Ensure power adapter is securely plugged into the vanity and a working outlet. Try a different outlet. Gently tap the sensor button.
Drawers are difficult to open/close.	Obstruction in the rail; misaligned drawer; loose hardware.	Check for items blocking the drawer. Remove and reinsert the drawer to ensure proper alignment. Tighten any loose screws on the drawer slides.
Stool wheels do not move freely.	Debris caught in wheels; damaged wheel.	Inspect wheels for hair or debris and remove. If a wheel is damaged, contact customer support for replacement options.
Vanity feels unstable.	Loose assembly hardware; uneven floor.	Check and tighten all assembly screws. Ensure the vanity is placed on a level surface.

If the problem persists after attempting these solutions, please contact PulseFay customer support for further assistance.
