3. SETUP AND ASSEMBLY

The FLEXISPOT XR7 recliner is delivered in two boxes and is designed for quick and easy assembly. Please allow 48 hours for the chair to fully expand after unpacking.

1. Unpack all components from both boxes.
2. Follow the included assembly instructions to connect the backrest to the base.
3. Ensure all connections are secure before use.
4. Plug the power cord into a suitable electrical outlet for electric models.

4.2 Swivel and Rocking

The chair features a 270° silent swivel and a gentle 30° rocking motion. Simply shift your weight or use your feet to initiate rocking or swivel to your desired direction.

4.3 Charging Devices

Electric models include built-in USB and Type-C charging ports on the side panel. Connect your devices to these ports for convenient charging.

5. MAINTENANCE

5.1 Cleaning the Faux Leather

The faux leather upholstery is designed for easy cleaning. Simply wipe gently with a damp cloth to remove spills and maintain its pristine appearance. Avoid harsh chemicals or abrasive cleaners.

5.2 General Care

Regularly inspect all connections and moving parts to ensure they are secure. Avoid placing the chair in direct sunlight for prolonged periods to prevent material degradation.

6. TROUBLESHOOTING

6.1 Recliner Not Operating (Electric Model)

- Ensure the power cord is securely plugged into both the chair and a working electrical outlet.
- Check for any kinks or damage in the power cord.
- Verify that the wall outlet is functional by plugging in another device.

6.2 Footrest Not Extending/Retracting (Manual Model)

- Ensure the release lever is fully engaged when attempting to extend or retract the footrest.
- Apply gentle pressure to the footrest with your legs to assist in retraction if needed.

6.3 Squeaking or Noise During Operation

- Apply a silicone-based lubricant to any visible pivot points or metal-on-metal contact areas in the reclining mechanism.
- Ensure all assembly bolts are tightened securely.
