5. Troubleshooting

If you encounter any issues with your Vesgantti sectional couch, please refer to the following general troubleshooting tips:

- **Cushions not fully expanded:** After unboxing, cushions may take up to 72 hours to fully expand. Gently fluff and allow time for them to regain their shape.
- **Loose connections:** Periodically check and tighten all bolts and connections to ensure the sofa remains stable.
- **Fabric stains:** For minor spills, blot immediately with a clean, dry cloth. For more stubborn stains, consult the care label for specific cleaning instructions or consider professional cleaning.

- **Uneven legs:** Ensure all legs are securely attached and of the same height. Adjust if necessary using the provided leg options.

If problems persist, please contact our customer service team for further assistance.
