Yanosaku VD010-WH

Yanosaku Vanity Desk VD010-WH Instruction Manual

Model: VD010-WH

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully to avoid injury.
- Keep electrical components away from water and never leave them unattended while in use.
- Do not exceed the weight limit of the vanity to prevent damage or injury.
- For any safety concerns, please contact the seller.
- Ensure all connections are secure before using the electrical outlets.

2. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. Refer to the detailed parts list provided in your physical instruction manual.

- Vanity Desk Components (panels, drawers, shelves)
- Mirror with 12 LED Bulbs
- Vanity Stool
- Power Outlet Unit (2 AC outlets, 2 USB ports)
- Hair Dryer Stand
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Tools (basic wrench, screwdriver)
- Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this vanity desk. It is recommended to follow the step-by-step instructions provided in the physical manual included with your product. Lay out all parts and hardware before starting. Two people are recommended for assembly.

1. **Unpack and Identify:** Carefully unpack all components and compare them against the parts list in the manual.
2. **Assemble Base Structure:** Begin by assembling the main frame of the vanity desk, including the side panels and central support.
3. **Install Drawers:** Assemble each of the 11 drawers according to the instructions and install them into their respective slots.
4. **Attach Top Panel and Mirror:** Secure the tabletop and then attach the mirror unit, ensuring all electrical connections for the lights are properly routed.
5. **Install Shelves and Accessories:** Attach the 4 shelves, fold-up panel, power outlet unit, and hair dryer stand.

6. **Assemble Stool:** Put together the vanity stool.

Image: Diagram showing the overall dimensions of the vanity desk and stool.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System

The vanity mirror is equipped with 12 LED Hollywood-style bulbs offering three color lighting modes and adjustable brightness.

- **Power On/Off:** Press the power button on the mirror frame to turn the lights on or off.
- **Change Color Mode:** Short press the 'M' button to cycle through the three color modes: Warm, Natural, and Cool.
- **Adjust Brightness:** Long press the power button to increase or decrease the brightness of the lights. Release when the desired brightness is reached.

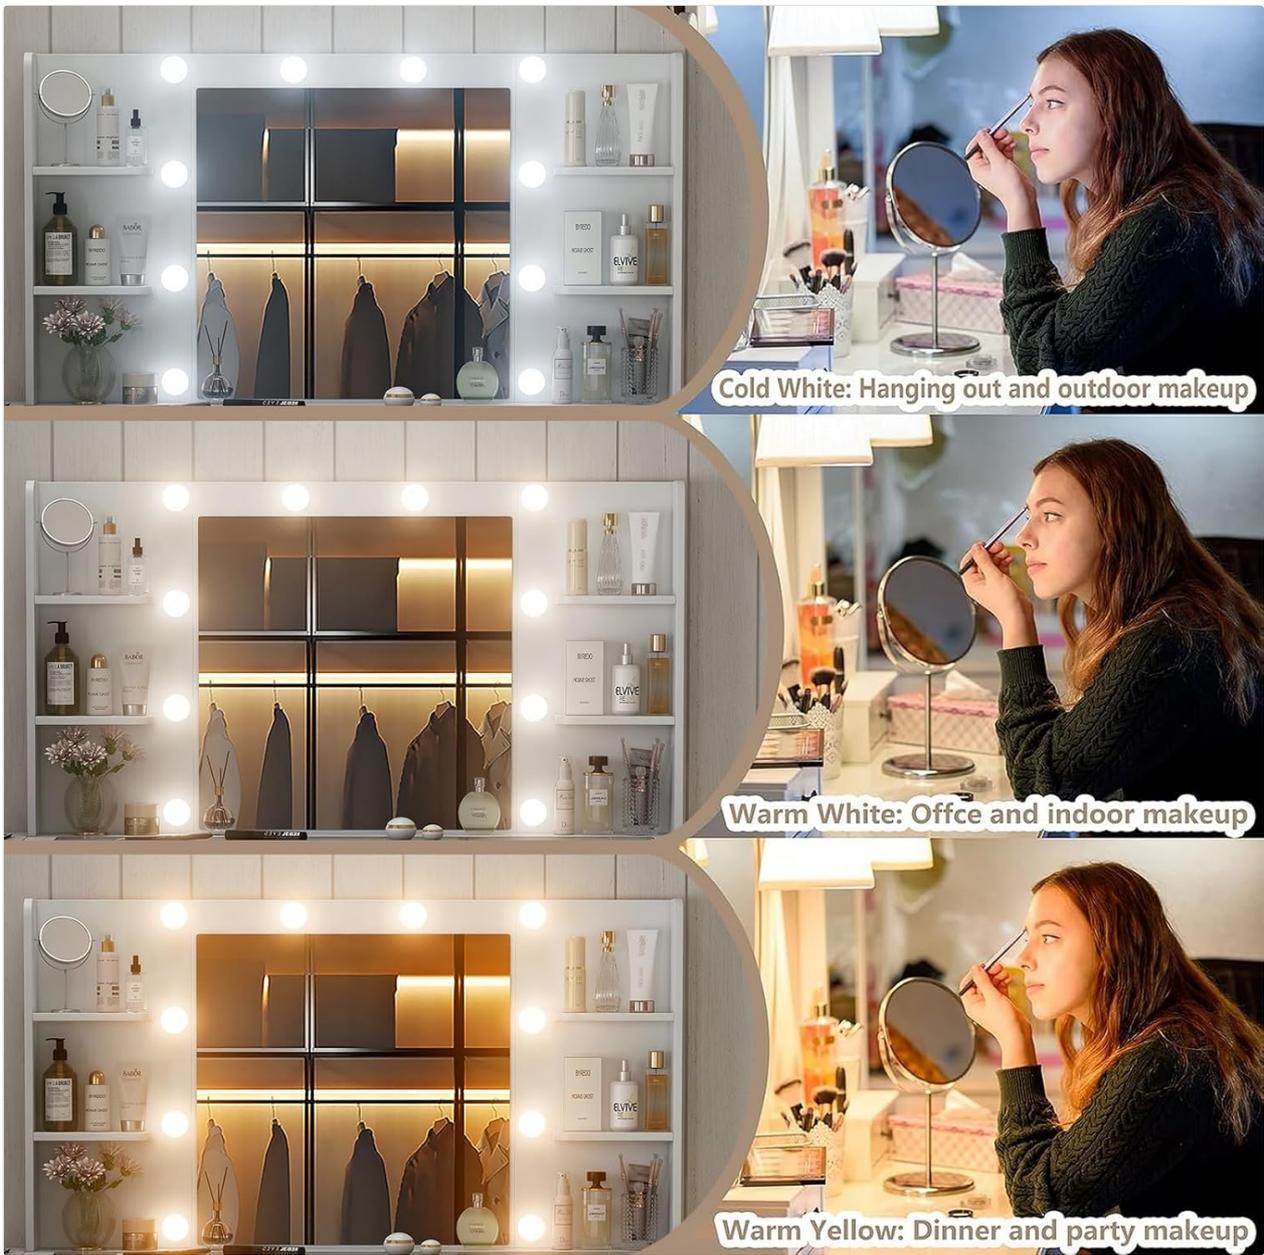

Image: Visual representation of the three distinct lighting modes (Cold White, Warm White, Warm Yellow) available on the vanity mirror.

4.2 Power Outlet and USB Ports

The integrated charging station provides convenient access to power for your electronic devices.

- **AC Outlets:** Plug in hair dryers, curling irons, or other small appliances into the two standard 125V/12A AC outlets.
- **USB Ports:** Use the two 5V/2A USB ports to charge mobile phones, tablets, or other USB-powered devices.
- Ensure the vanity desk is properly connected to a wall outlet for the charging station to function.

Built-in Power Strip

Convenient for phone charging & hair dryer use

Image: Close-up of the built-in power strip, highlighting the AC outlets and USB ports, with a hair dryer in its dedicated holder.

4.3 Fold-up Panel

The vanity features a foldable side panel to expand your workspace when needed.

- **To Expand:** Gently lift the fold-up panel and extend the support bracket underneath until it locks into place.
- **To Fold:** Release the support bracket and carefully lower the panel back into its compact position.

Image: Illustration showing the vanity's side panel in its expanded state for additional space and folded state for compactness.

4.4 Storage Drawers and Shelves

Utilize the 11 drawers and 4 shelves for organized storage of cosmetics, accessories, and other items.

- The drawers feature smooth gliding mechanisms for easy access.
- The embedded tempered glass tabletop allows for visible storage in the top central drawers, making items easily locatable.

5. MAINTENANCE

5.1 Cleaning

- **Wood Surfaces:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror:** Use a standard glass cleaner and a lint-free cloth.
- **LED Bulbs:** Dust gently with a dry, soft cloth. Do not use liquid cleaners directly on the bulbs or electrical components.
- **Glass Top:** Clean with glass cleaner. The tempered glass is designed to be anti-scalding and easy to clean.

5.2 General Care

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Avoid placing hot items directly on the surface without protection.

- Keep the vanity away from direct sunlight and excessive moisture to prevent warping or discoloration.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	<ol style="list-style-type: none"> 1. Power cable not connected 2. Loose connection to LED controller 3. Faulty bulb or controller 	<ol style="list-style-type: none"> 1.
