SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Use the provided Type-C charging cable.

- Insert the earbuds into the charging case.
- Connect the Type-C cable to the charging port on the case and a power source.
- The indicator lights on the case will show charging status. A full charge provides up to 32 hours of total playtime with the case, and 8 hours on a single earbud charge.

Listen For Longer

2. Bluetooth Pairing

The earbuds utilize advanced Bluetooth 5.4 technology for a stable and low-latency connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "Monster N-Lite 210" in the list of available devices and select it to connect.
4. Once paired, the earbuds will automatically reconnect to your device when taken out of the case.

Latest Bluetooth 5.4

More Stable Connection

Lower Power Consumption

Lower Latency

Longer Transmission Range

3. Ergonomic Fit

Achieving a secure and comfortable fit is crucial for optimal sound quality and stability.

1. Select the ear tips and ear supports that best fit your ear size (S/M/L options are provided).
2. Gently insert the earbud into your ear canal.
3. Twist the earbud slightly to ensure the ear support hooks securely into your ear's concha, providing a snug fit.

OPERATING INSTRUCTIONS

Touch Controls

The Monster N-Lite 210 Earbuds feature sensitive touch controls for easy management of music and calls.

Function	Action
Play/Pause	Click x 2 (Left or Right earbud)
Voice Assistant	Hold for 2 seconds (Left or Right earbud)
Answer Call	Click x 2 (Left or Right earbud)
Hang Up Call	Click x 2 (Left or Right earbud)
Previous Song	Click x 3 (Left earbud)
Next Song	Click x 3 (Right earbud)
Volume Up	Click x 1 (Right earbud)
Volume Down	Click x 1 (Left earbud)

and triple taps for various actions like play/pause, volume, and call management.

Water Resistance (IPX5)

The earbuds are IPX5 rated, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and light rain exposure.

- Do not submerge the earbuds in water.
- Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Do not use abrasive cleaners or solvents.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

TROUBLESHOOTING

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
No sound from one earbud	Place both earbuds back in the case, close it, then reopen. Check device audio balance settings.
Low volume	Adjust volume on both earbuds and your connected device. Ensure ear tips provide a good seal.

Problem	Solution
Charging case not charging	Check the charging cable and power adapter. Ensure the cable is securely connected.
Touch controls unresponsive	Ensure your fingers are clean and dry. Restart the earbuds by placing them in the case and taking them out.
