Sprobil C021

Sprobil 11-in-1 Steam Mop C021 Instruction Manual

Model: C021

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before using the Sprobil 11-in-1 Steam Mop. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always ensure the appliance is unplugged from the power outlet before filling or emptying the water tank, or when not in use.
- Do not direct steam at people, animals, or electrical appliances. Steam is very hot and can cause burns.
- Use only distilled or demineralized water in the water tank to prevent mineral buildup and prolong the life of the appliance.
- Do not immerse the appliance in water or any other liquid.
- Keep the appliance out of reach of children and pets.
- Do not use the appliance if the power cord or plug is damaged. Contact customer support for repair.
- Always remove the carpet glider before cleaning hard floors.

2. PRODUCT OVERVIEW

The Sprobil 11-in-1 Steam Mop is a versatile cleaning tool designed for deep cleaning various surfaces using high-temperature steam without harsh chemicals. It functions as both an upright steam mop and a handheld steam cleaner.

Included Components:

- Microfiber Pads x2
- Carpet Glider x1
- Accessory Adaptor x1
- Angle Nozzle x1
- Small Cloth x1
- Window Cleaning Tool x1

- Scraping Tool x1
- Round Brush x1
- Flat Brush x1
- Ironing Brush x1
- Large Round Brush x1
- 23 ft Power Cord (integrated)

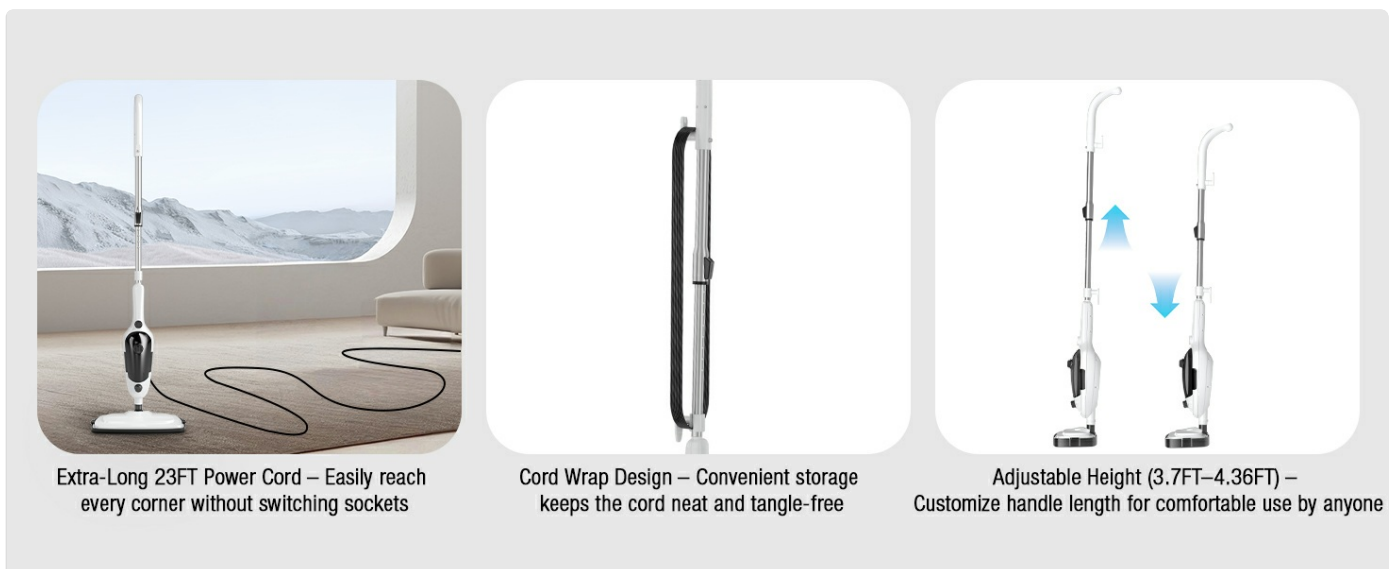

Figure 1: All included components of the Sprobil 11-in-1 Steam Mop, including the main unit, telescopic handle, mop head, water tank, microfiber pads, carpet glider, and various cleaning attachments like brushes, nozzles, and scraping tools.

3. SETUP

3.1 Assembly

1. Connect the telescopic rod to the main steam mop body until it clicks securely into place.
2. Attach the mop head to the bottom of the main steam mop body, ensuring it is firmly connected.
3. For floor cleaning, attach a clean microfiber pad to the mop head. The pad will adhere via Velcro-like fasteners.
4. If cleaning carpets, place the carpet glider over the mop head with the microfiber pad attached.

Extra-Long 23FT Power Cord – Easily reach every corner without switching sockets

Cord Wrap Design – Convenient storage keeps the cord neat and tangle-free

Adjustable Height (3.7FT–4.36FT) – Customize handle length for comfortable use by anyone

Figure 2: The fully assembled Sprobil 11-in-1 Steam Mop, showcasing its sleek design and key features such as 1200W power, 23ft cord, 15.2 oz water tank, 260°F steam, 20s steam ready time, adjustable steam, and adjustable height.

3.2 Filling the Water Tank

1. Ensure the steam mop is unplugged from the power outlet.
2. Remove the water tank from the main body.
3. Unscrew the cap of the water tank and fill it with distilled or demineralized water. The tank has a 450ml (15.2 oz) capacity.
4. Securely screw the cap back on and reinsert the water tank into the main body until it clicks into place.

4. OPERATING INSTRUCTIONS

4.1 Powering On and Heating

1. Plug the 23ft power cord into a suitable electrical outlet.
2. Press the power button. The indicator light will illuminate, signaling that the mop is heating up.
3. The mop will be ready to use in approximately 20 seconds, reaching a powerful 260°F steam temperature.

Reusable mop pad for effortless cleaning

Figure 6: The steam mop's customizable steam settings, offering options for both daily cleaning (low to medium steam) and deep cleaning (high steam) for various floor types.

4.2 Adjusting Steam Settings

The Sprobil Steam Mop offers three adjustable steam levels to suit different cleaning needs:

- **Low Steam:** Ideal for delicate surfaces like hardwood floors.
- **Medium Steam:** Suitable for everyday dirt and dust on various surfaces.
- **High Steam:** For tackling tough stains and grease on tiles and sealed surfaces.

Rotate the steam control knob (located on the main body) to select your desired steam output.

Figure 7: The steam mop head demonstrating its 120° and 90° adjustable angles for seamless cleaning and reaching every corner, along with its self-standing capability.

4.3 Using as a Floor Steam Mop

The steam mop is safe and effective for cleaning a wide range of sealed floor types:

- Hardwood
- Tile
- Laminate
- Sealed Stone
- Marble
- Carpet (with carpet glider)

Simply glide the mop head over the floor surface. The high-temperature steam will penetrate and lift dirt, drying quickly without leaving water marks.

Figure 8: The Sprobil 11-in-1 Steam Mop is suitable for a variety of floor types, including sealed hardwood, carpet, laminate, tile, sealed stone, and marble, with adjustable steam levels.

Figure 9: The Sprobil 11-in-1 Steam Mop provides quick drying and leaves no water stains, effectively removing tough water stains from floors compared to conventional methods.

4.4 Using as a Handheld Steam Cleaner

Detach the main body from the telescopic rod to use it as a handheld steam cleaner. Connect the appropriate accessory for your cleaning task:

- **Angle Nozzle:** For hard-to-reach areas like grout lines, sink edges, and stove tops.
- **Round/Flat Brushes:** For scrubbing stubborn grime on kitchen surfaces, bathroom fixtures, and toys.
- **Ironing Brush/Small Cloth:** For steaming garments, upholstery, and curtains to remove wrinkles and refresh fabrics.
- **Window Cleaning Tool:** For streak-free cleaning of windows and mirrors.
- **Scraping Tool:** For removing baked-on food or tough residues.

Figure 10: The Sprobil 11-in-1 Steam Mop transforms into a multi-purpose steam cleaner, effectively cleaning various items such as toys with a large round brush, sinks with a round and flat brush, clothes with an ironing brush, windows with a window cleaning tool, sofas with a small cloth, and stovetops with a cramping tool and angle nozzle.

5. MAINTENANCE

5.1 Cleaning Microfiber Pads

The microfiber pads are reusable and washable. After each use, remove the pad from the mop head and wash it with mild detergent. Air dry for best results.

Figure 11: The Sporbil 11-in-1 Steam Mop features reusable mop pads that can be easily washed and reattached for effortless cleaning.

5.2 Storage

After use, ensure the water tank is empty and the appliance has cooled down. The mop features an adjustable height design and a cord wrap for convenient, tangle-free storage.

Figure 12: The Sporbil 11-in-1 Steam Mop features an extra-long 23ft power cord for extended reach, a convenient cord wrap design for neat storage, and adjustable height (3.7FT-4.36FT) to customize handle length for comfortable use.

6. TROUBLESHOOTING

- **No Steam:** Check if the water tank is filled and properly inserted. Ensure the appliance is plugged in and powered on.
- **Low Steam Output:** Verify the selected steam setting. Ensure the water tank is not running low.
- **Water Leaks:** Check that the water tank cap is securely tightened and the tank is correctly seated in the main body.
- **Appliance Not Heating:** Ensure the power cord is securely plugged into a working outlet and the power button is pressed.

7. SPECIFICATIONS
