boAt Rockerz 202

boAt Rockerz 202 Wireless Neckband Earphones

User Manual

INTRODUCTION

Thank you for choosing the boAt Rockerz 202 Wireless Neckband Earphones. This manual will guide you through the setup, operation, and maintenance of your device, ensuring you get the best audio experience. Please read these instructions carefully before using the product.

WHAT'S IN THE BOX

- boAt Rockerz 202 Wireless Neckband
- Additional Earbuds (S, M, L sizes)
- USB Charging Cable
- User Manual

SETUP

1. Initial Charge

Before first use, fully charge your Rockerz 202. Connect the USB charging cable to the charging port on the neckband and to a power source. The LED indicator will show charging status.

2. Powering On and Pairing

1. Press and hold the Multi-function Button (MFB) on the neckband until the LED indicator flashes blue and red alternately, indicating pairing mode.
2. On your smartphone or other Bluetooth device, enable Bluetooth and search for available devices.
3. Select "boAt Rockerz 202" from the list of devices.
4. Once connected, the LED indicator will flash blue periodically, and you will hear an audio prompt.

3. Dual Device Pairing

The Rockerz 202 supports dual device connectivity, allowing you to connect to two devices simultaneously and switch between them with ease.

1. Pair the neckband with the first device as described above.
2. Disable Bluetooth on the first device. The neckband will re-enter pairing mode.
3. Pair the neckband with the second device.
4. Enable Bluetooth on the first device. The neckband will automatically connect to both devices.

ENx™ Technology

Clear Calling Experience

Image: The boAt Rockerz 202 neckband earphones connected to both a tablet and a smartphone, illustrating the dual pairing feature. This allows seamless switching between two connected devices.

MAINTENANCE

- Clean the earbuds and neckband regularly with a soft, dry cloth.
- Avoid exposing the device to extreme temperatures, humidity, or corrosive substances.
- Do not use abrasive cleaners or sharp objects to clean the device.
- Store the earphones in a cool, dry place when not in use.
- Ensure the charging port is free from dust and debris before charging.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
Cannot Power On	Ensure the device is fully charged. Connect to a power source and try again.
Cannot Pair with Device	Ensure the neckband is in pairing mode (LED flashing blue and red). Disable and re-enable Bluetooth on your device. Clear previous Bluetooth connections on your device. Move the neckband closer to your device.
No Sound	Check if the neckband is connected to your device. Adjust the volume on both the neckband and your connected device. Ensure the audio source is playing.
Poor Call Quality	Ensure the microphone is not obstructed. Move to an area with less background noise. Check your network signal strength.
ASAP Charge Not Working	Ensure you are using a compatible charging cable and power adapter. Check for debris in the charging port.
