SAFETY INFORMATION

Your safety is paramount. Please adhere to the following safety guidelines:

- **Anti-Tip Kit:** Always install the included anti-tip kit to prevent accidental tipping, which can cause serious injury or death. Secure the dresser to a wall stud using the provided hardware.
- **Weight Limits:** Do not exceed the maximum weight capacity for the desktop (176 lbs) or individual drawers (22 lbs per drawer). Overloading can compromise stability and structural integrity.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened securely before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the dresser on a flat, level surface. Avoid placing heavy objects on top of the dresser that could cause it to become unstable.
- **Children:** Do not allow children to climb on or play with the dresser or its drawers. Keep small parts and assembly hardware out of reach of children.
