Paladone 14621

Paladone Fortnite Logo LED Wall Light

Model: 14621

Brand: Paladone

INTRODUCTION

Thank you for purchasing the Paladone Fortnite Logo LED Wall Light. This product is designed to add a vibrant, decorative touch to your gaming space or home. This manual provides detailed instructions for safe and effective use of your new LED light. Please read all instructions carefully before installation and operation.

SAFETY INFORMATION

- This product is for indoor use only. Do not expose to water or high humidity.

- Keep out of reach of children.

- Do not attempt to disassemble or modify the light. This may cause damage and void the warranty.

- Ensure the power source is compatible with the USB power requirements of the device.

- Avoid placing the light near heat sources or in direct sunlight for extended periods.

- If the product is damaged or malfunctions, discontinue use immediately and contact customer support.

PACKAGE CONTENTS

Please check the box to ensure all items are present:

- Fortnite Logo LED Wall Light (Model 14621)

- Integrated USB Power Cable with On/Off Switch

- User Manual (this document)

SETUP

1. Unboxing and Inspection

Carefully remove the Fortnite Logo LED Wall Light from its packaging. Inspect the light and its components for any signs of damage. If any damage is found, do not proceed with setup and contact customer support.

2. Mounting the Light

The Fortnite Logo LED Wall Light is designed for wall mounting. It features pre-drilled holes on the clear plastic backing for easy installation. Use appropriate wall anchors and screws (not included) suitable for your wall type to securely mount the light.

1. Choose a suitable location on your wall, ensuring it is near a USB power source.
2. Mark the positions for the mounting holes on the wall using the light as a template.
3. Drill pilot holes if necessary and insert wall anchors.
4. Secure the light to the wall using screws, ensuring it is level and stable.

3. Power Connection

The light is powered via a USB-A cable. Connect the USB-A plug to a compatible USB power adapter (e.g., a phone charger, computer USB port, or USB wall outlet). The light requires a standard 5V USB power supply.

OPERATING INSTRUCTIONS

Once the light is securely mounted and connected to a power source, you can operate it using the inline switch located on the USB power cable.

1. To turn the light **ON**, slide the switch to the 'ON' position. The Fortnite logo will illuminate in a vibrant blue color.
2. To turn the light **OFF**, slide the switch to the 'OFF' position.

MAINTENANCE

To ensure the longevity and optimal performance of your Paladone Fortnite Logo LED Wall Light, follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the surface of the light with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic and LED components.
- **Storage:** If storing the light for an extended period, ensure it is clean and dry. Store it in its original packaging or a protective container in a cool, dry place away from direct sunlight.
- **Handling:** Handle the light with care to avoid dropping or impacting it, which could cause internal damage to the LEDs or external damage to the casing.

TROUBLESHOOTING

If you encounter any issues with your Fortnite Logo LED Wall Light, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	No power, loose connection, switch is off.	Ensure the USB cable is securely plugged into a working USB power source. Check the inline on/off switch is in the 'ON' position. Try a different USB port or power adapter.
Light flickers or is dim.	Insufficient power, faulty cable/adapter.	Ensure the USB power source provides adequate power (standard 5V). Try a different USB cable or power adapter.
Light is damaged.	Physical impact or defect.	Discontinue use. Contact Paladone customer support for assistance.
