UYRUREL Pad 9

UYRUREL Soft Silicone Adjustable Stand Cover for OSCAL Pad 9 Tablet

Model: Pad 9

INTRODUCTION

This instruction manual provides essential information for the proper installation, use, and maintenance of your UYRUREL Soft Silicone Adjustable Stand Cover, designed exclusively for the OSCAL Pad 9 Android Tablet 10.1 inch. This case offers robust protection, enhanced usability with an adjustable stand, and is made from high-quality, skin-friendly silicone material.

SETUP: INSTALLING THE TABLET CASE

- Verify Compatibility:** Ensure your tablet is an OSCAL Pad 9 Android Tablet 10.1 inch. This case is not compatible with other tablet models.
- Clean Your Tablet:** Before installation, ensure your tablet is clean and free of dust or debris to prevent scratches.
- Insert Tablet:** Gently align your OSCAL Pad 9 tablet with the case. Start by inserting one side of the tablet into the silicone frame, then carefully work your way around the edges until the tablet is fully seated within the case. The soft silicone material allows for easier installation and removal without scratching the tablet.

Image: The case features precise openings for all camera, ports, and buttons, ensuring full functionality without removing the cover.

- Check Fit:** Ensure the tablet is securely in place and all ports, buttons, and the camera are accessible through the precise cutouts.

OPERATING INSTRUCTIONS: USING THE ADJUSTABLE STAND

The UYRUREL tablet case includes a ruggedized, concealed bracket that functions as an adjustable stand, providing multiple viewing angles for your convenience.

1. **Extend the Stand:** Locate the concealed bracket on the back of the case. Gently pull it outwards until it clicks into an open position.
2. **Adjust Viewing Angle:** The bracket is designed to be disassembled/assembled, allowing you to adjust the angle to your preference. Position the tablet to achieve the desired viewing or typing angle.

Image: The adjustable stand provides hands-free viewing, ideal for watching videos or typing.

3. **Retract the Stand:** When not in use, gently push the bracket back into its concealed position until it lies flush with the case for a slim profile.

Image: The case facilitates comfortable tablet usage in various settings.

MAINTENANCE: CLEANING YOUR CASE

The soft silicone material of your UYRUREL tablet case is designed for easy cleaning, ensuring your tablet always remains hygienic and presentable.

1. **General Cleaning:** For light dust or smudges, wipe the case with a soft, damp cloth.
2. **Deep Cleaning:** For more stubborn dirt or stains, the silicone material can be cleaned directly with water. You may use a mild soap solution if necessary. Rinse thoroughly and allow to air dry completely before re-installing your tablet.

Image: The high-quality silicone is easy to clean, resistant to oil and stains, and maintains its shape over time.

3. **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these may damage the silicone material.

PRODUCT FEATURES

- **Comprehensive Protection:** The case is designed to wrap the entire tablet, providing all-around protection against drops and impacts, minimizing the risk of damage to the main unit.

Image: The case is engineered to protect the tablet from accidental drops and impacts.

- **Efficient Heat Dissipation:** Featuring an interior three-dimensional honeycomb design, the case effectively dissipates heat, ensuring your tablet remains cool during extended use.

Image: The honeycomb texture promotes cellular cooling, preventing the tablet from overheating.

- **Durable and Skin-Friendly Material:** Made from high-quality, skin-friendly silicone, the case is resistant to deformation and damage, offering long-lasting protection and a comfortable grip.
- **Lightweight Design:** The case adds minimal bulk to your tablet, maintaining its portability while providing robust protection.
