## 7. Maintenance

The WalkerFit A1 PRO Smartwatch is designed to be waterproof, making it suitable for various activities. However, it is recommended to dry the device thoroughly after exposure to water to maintain optimal performance and longevity.

Regularly clean the watch and strap with a soft, dry cloth to prevent skin irritation and maintain hygiene. Avoid exposing the watch to extreme temperatures or harsh chemicals.

## 8. Troubleshooting

If you encounter any issues with your smartwatch, please refer to the in-app help section or contact

customer support. Common issues such as pairing problems or inaccurate readings can often be resolved by restarting the device or checking app settings.

## **9. Warranty and Support**

All WalkerFit smartwatches come with a two-year warranty. For any issues or support needs, please contact our 24/7 after-sales team. We are committed to swift issue resolution and ensuring customer satisfaction.
