Heybly Cat Tree Tower

MODEL: HCT009SG

Brand: Heybly

1. Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Heybly Cat Tree Tower, Model HCT009SG. Designed to provide a multi-level activity center for your feline companions, this cat tree features various elements for climbing, scratching, resting, and playing.

Please read this manual thoroughly before assembly and use to ensure proper setup and safe enjoyment for your pets.

2. Safety Instructions

- Always place the cat tree on a flat, stable surface to prevent tipping.
- For added stability, position the cat tree against a wall.
- Regularly check all screws and connections to ensure they remain tight. Retighten as necessary.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- Inspect the cat tree periodically for any damaged parts. Discontinue use if any components are broken or compromised.
- The included anti-tip strap should be used to secure the cat tree to a wall, especially if you have active or larger cats.

4. Assembly Instructions

Follow these steps carefully to assemble your cat tree. Refer to the component image (Figure 3.1) for identification.

1. **Attach Base Posts:** Secure the shortest scratching posts to the baseboard using the provided screws

and Allen wrench.

2. **Install Lower Platform:** Attach the first small platform above the base posts.
3. **Assemble Ladder:** Connect the ladder to the baseboard and the first platform. Ensure the sisal-covered steps are facing upwards.
4. **Add Main Support Posts:** Attach the taller scratching posts to the lower platform.
5. **Mount Cat Condo:** Place the cat condo onto the main support posts and secure it.
6. **Attach Basket:** Secure the hanging basket to the side of the cat condo or an adjacent post, ensuring it is stable.
7. **Install Top Perch:** Attach the wide plush top perch to the top of the cat condo.
8. **Attach Hanging Toy:** Secure the hanging toy ball to the designated loop on the cat condo or top perch.
9. **Secure Anti-Tip Strap:** Attach one end of the anti-tip strap to the top of the cat tree and the other end to a wall stud using appropriate hardware (not always included).
10. **Final Check:** Ensure all connections are tight and the cat tree is stable before allowing your cats to use it.

6. Maintenance

Regular maintenance will extend the life of your cat tree and ensure a hygienic environment for your pets.

- **Cleaning:** The plush material can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, the removable top perch pad is machine washable. Allow all parts to air dry completely before reassembly or use.
- **Sisal Rope:** The sisal scratching surfaces can be cleaned with a brush to remove loose fibers and debris.
- **Stability Check:** Periodically check all screws and connections for tightness. Re-tighten as needed to maintain structural integrity.
- **Damage Inspection:** Regularly inspect the cat tree for any signs of wear, tear, or damage to the posts, platforms, or fabric. Replace damaged components if necessary.

7. Troubleshooting

If you encounter any issues with your Heybly Cat Tree Tower, consider the following:

- **Wobbling:** If the cat tree feels unstable, ensure it is placed on a level surface. Double-check that all screws are securely tightened. Utilize the anti-tip strap to anchor the tree to a wall for maximum stability.
- **Cats Not Using the Tree:** Cats may need time to adjust to new furniture. Try placing familiar toys or treats on different levels to encourage exploration. Catnip can also be used to attract them to the scratching posts or resting areas.
- **Damaged Components:** If any part of the cat tree becomes damaged, contact Heybly customer support for replacement parts or guidance.
