LIKIMIO California King Bed Frame with Headboard

MODEL: HK-CKBF-005K

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your LIKIMIO California King Bed Frame with Headboard. Please read these instructions carefully before assembly and use to ensure proper setup and safe operation. This bed frame is designed for durability, noise-free performance, and does not require a box spring.

Product Features

- **Extra Space on Headboard:** The integrated 2-tier storage headboard provides convenient space for items such as phones, glasses, and books, keeping essentials within reach.
- **Sturdy Construction:** Features heavy-duty metal support frames and multiple middle support legs for optimal stability and support for various mattress types without a box spring.
- **Under-Bed Clearance:** Offers 10.4 inches of under-bed clearance, providing additional storage space for bins, baskets, or other items.
- **Industrial Style:** Constructed with P2 high-duty MDF board and black metal, offering a mild industrial aesthetic suitable for modern bedroom decor.
- **Quick Installation:** Designed with a unique snap-fit slat system for press-to-assemble convenience. Clear and easy-to-follow instructions allow for assembly by one person in approximately one hour.

Setup and Assembly

The LIKIMIO California King Bed Frame is designed for straightforward assembly. All necessary tools and hardware are included in the packaging. Each part is clearly labeled and numbered to correspond with the detailed assembly instructions provided.

1. Unpack all components and verify against the parts list in the included manual.
2. Follow the step-by-step instructions, matching numbered parts as indicated.
3. Utilize the unique snap-fit design for the slats, pressing them into place until secure.
4. Ensure all connections are tightened securely before placing the mattress on the frame.

Assembly can typically be completed by one person within an hour due to the intuitive design and clear instructions.

Operating Instructions

Once assembled, the LIKIMIO California King Bed Frame is ready for immediate use. Simply place your California King mattress directly onto the sturdy metal slats. The integrated headboard shelves can be used to store personal items, keeping them organized and accessible.

Maintenance

To maintain the appearance and longevity of your bed frame, follow these simple guidelines:

- Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to prevent wobbling or noise.
- Avoid exposing the bed frame to excessive moisture or direct sunlight for prolonged periods.

Troubleshooting

If you encounter any issues with your LIKIMIO California King Bed Frame, refer to the following common solutions:

- **Noise/Squeaking:** Ensure all bolts and screws are fully tightened. Loose connections are the most common cause of noise. Check that the mattress is properly seated on the slats.
- **Instability/Wobbling:** Verify that the bed frame is assembled on a flat, level surface. Re-check all connections for tightness. Ensure all support legs are making firm contact with the floor.
- **Missing Parts:** If any parts are missing upon unboxing, please contact LIKIMIO customer support immediately with your model number and purchase details.

Specifications

Image: Detailed product dimensions for the California King bed frame.

Attribute	Detail
