Living Glow 5-in-1 Portable Rechargeable Fan User Manual

Model: BXFSGZ_00001

1. INTRODUCTION

Thank you for purchasing the Living Glow 5-in-1 Portable Rechargeable Fan. This versatile device is designed to provide cooling comfort in various situations, functioning as a waist fan, desk fan, neck fan, handheld fan, and even a power bank with an integrated LED light. Please read this manual carefully before use to ensure proper operation and maintenance.

2. PRODUCT OVERVIEW AND FEATURES

The Living Glow Rechargeable Fan is engineered for portability and multi-functionality, offering a powerful yet quiet cooling experience.

Great points in detail

Figure 2.2: Detailed view of the fan's intelligent digital display, Type-C charging port, and robust waist buckle.

- **Long-lasting Battery:** Equipped with a built-in 6000mAh battery, providing up to 40 hours of operation at low speed. It supports charging while in use with 5V-3A Type-C input and offers 5V-2A USB output for power bank functionality.
- **5-Speed Wind:** Features a high-speed 20000RPM brushless motor delivering an 18m/s airflow. Five adjustable speed settings cater to various cooling needs, from a gentle breeze to a strong gust.
- **5-in-1 Functionality:** Designed for versatile use as a waist clip fan, desk fan, neck fan (with included lanyard), and handheld fan. It also functions as a portable power bank and includes an LED light with SOS mode for outdoor safety.
- **Silicone Protection:** A durable silicone cover cushions against accidental drops, enhancing the fan's longevity.
- **Easy Charging & Portable:** USB-compatible for convenient charging via multiple devices. Weighing only 290g, it is ideal for home, office, and outdoor activities.
- **Intelligent Digital Display:** Provides clear indication of battery percentage and current working status.
- **Durable Design:** Features an upgraded manganese steel clamp for secure attachment and a dual-clip design for flexible placement. The fan is also designed to be waterproof and dust-proof for enhanced durability in various environments.

3. PACKAGE CONTENTS

Please check the package for the following items:

- 1 or 2 x Living Glow Rechargeable Fan (depending on package purchased)
- 1 x USB Type-C Charging Cable
- 1 x Lanyard
- 1 x User Manual

4. SETUP

1. **Initial Charge:** Before first use, fully charge the fan. Connect the provided USB Type-C cable to the fan's charging port and the other end to a 5V/2A (or higher) USB power adapter (not included). The digital display will show the charging progress.
2. **Attach Lanyard (Optional):** If you plan to use the fan as a neck fan, attach the included lanyard to the designated loops on the top of the fan.

5. OPERATING INSTRUCTIONS

The Living Glow fan offers multiple modes of operation and usage scenarios.

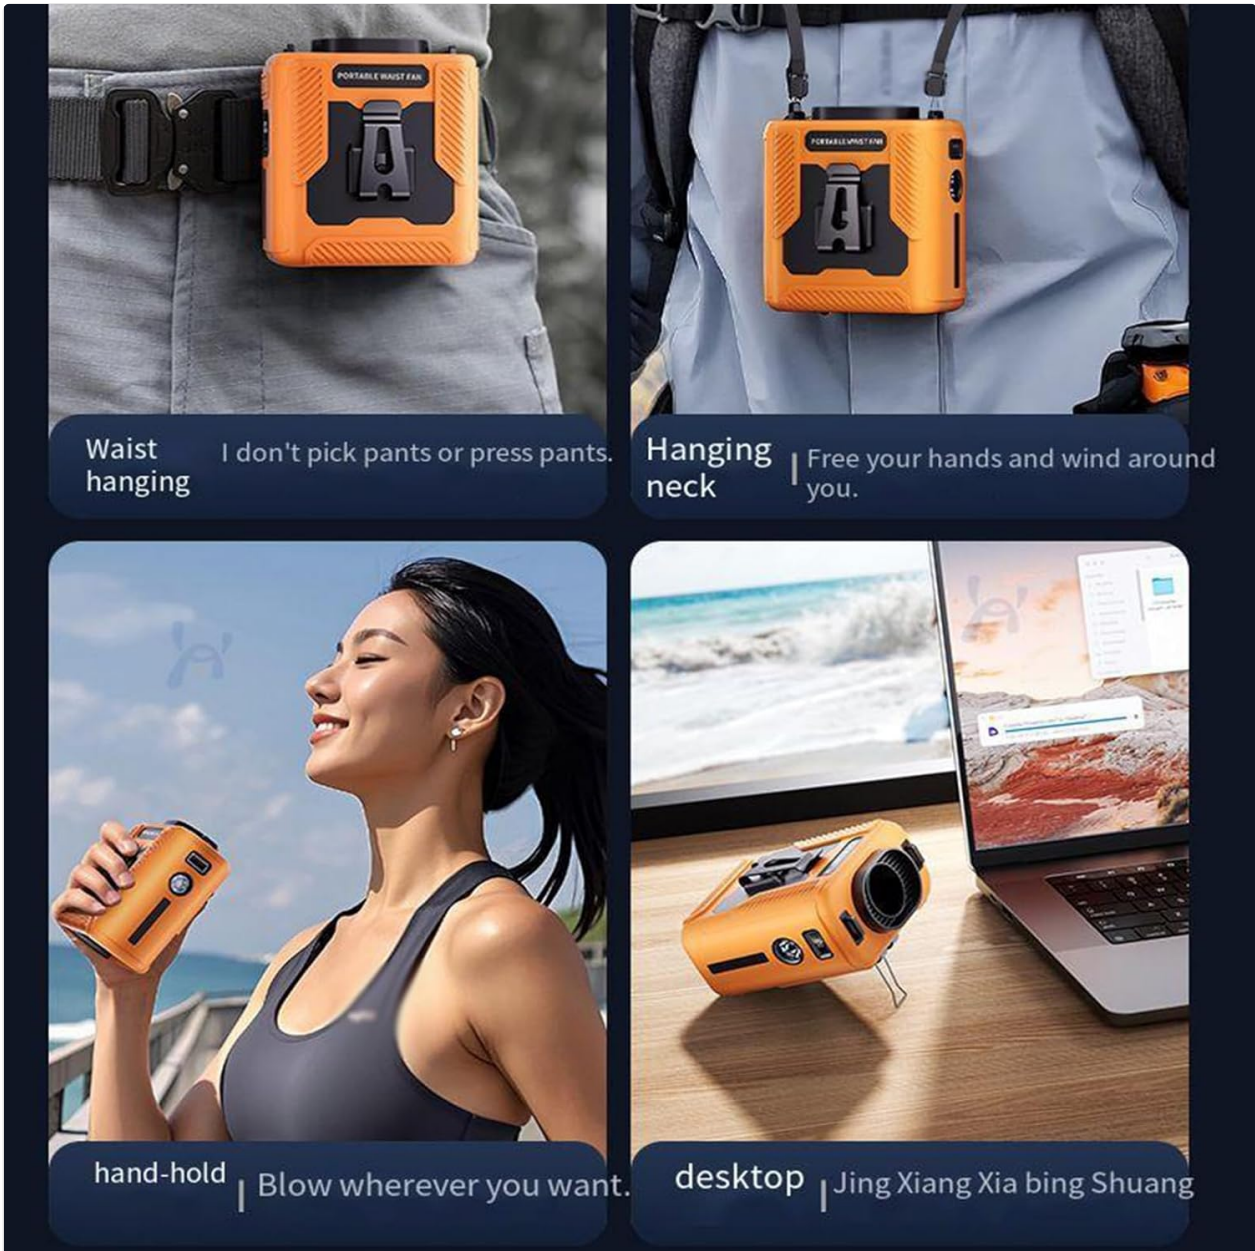

Figure 5.1: Versatile usage modes: waist, neck, handheld, and desktop.

Figure 5.2: The fan worn on the waist, providing targeted cooling.

5.1 Basic Fan Operation

1. **Power On/Off:** Press and hold the power button (usually located on the side or top) for 2-3 seconds to turn the fan on or off.
2. **Adjust Fan Speed:** Once powered on, short press the power button repeatedly to cycle through the 5 available fan speeds. The digital display will indicate the current speed setting.

5.2 Using as a Power Bank

The fan can be used to charge other USB-powered devices.

A tractor serves several purposes.

Outdoor hurricane+lighting

Long press sos flash for help
outdoor glare flashlight
camping artifact

Figure 5.3: The fan functioning as a portable power bank and light source.

1. **Connect Device:** Plug your device's USB charging cable into the USB-A output port on the fan.
2. **Initiate Charging:** The fan should automatically begin charging your device. Monitor your device's charging indicator.

5.3 LED Light and SOS Function

The integrated LED light provides illumination, and an SOS mode is available for emergencies.

- **Turn On/Off Light:** Locate the dedicated light button (if separate from power button) or long-press a specific button as indicated by the fan's design to activate/deactivate the LED light.
- **SOS Mode:** Long-press the light button (or designated SOS button) to activate the flashing SOS signal. Repeat the long-press to turn it off.

6. MAINTENANCE

- **Cleaning:** Ensure the fan is turned off and unplugged before cleaning. Use a soft, dry cloth to wipe the exterior. For stubborn dirt, a slightly damp cloth can be used, but avoid getting water into the fan's internal components. Do not use harsh chemicals or abrasive cleaners.

- **Storage:** When not in use for extended periods, store the fan in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to charge the battery to about 50% before storing to prolong battery life.
- **Battery Care:** To maintain battery health, avoid completely draining the battery frequently. Recharge the fan when the battery level is low.

7. TROUBLESHOOTING

If you encounter issues with your Living Glow fan, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not turn on.	Battery is depleted.	Charge the fan fully using the provided USB Type-C cable.
Fan does not charge.	Charging cable or adapter is faulty.	Try a different USB Type-C cable and a different 5V/2A (or higher) USB power adapter.
Weak airflow.	Fan speed is too low; battery is low.	Increase the fan speed. Recharge the fan if the battery is low.
Power bank function not working.	Fan battery is low; device cable is faulty.	Ensure the fan has sufficient charge. Try a different charging cable for your device.

8. SPECIFICATIONS

- **Product Name:** Living Glow Rechargeable Fan
- **Model Number:** BXFSGZ_00001
- **Input Current:** 5V/2A
- **Rated Power:** 10W
- **Fan Gears:** 5 speeds
- **Battery Capacity:** 6000mAh
- **Product Dimensions:** 87mm (D) x 65mm (W) x 100mm (H) / 3.4" (D) x 2.5" (W) x 3.9" (H)
- **Power Source:** DC (Rechargeable Battery)
- **Design Type:** Wearable Fan
- **Special Features:** Portable, Power Bank, LED Light, SOS Function, Waterproof, Dust-proof
- **Recommended Uses:** Cooling, Outdoor Activities, Travel, Office, Home

9. WARRANTY AND SUPPORT

This product is covered by a standard manufacturer's warranty. For detailed warranty information, please refer to the product packaging or contact your retailer. If you experience any issues or have questions regarding your Living Glow Rechargeable Fan, please contact customer support through your purchase platform or the manufacturer's official website. Please have your model number (BXFSGZ_00001) and purchase details ready when contacting support.
